Floaty
For HERO Session™ cameras

Available Date:	4.3.16
UPC Code:	818279013870
Model Number:	ARFLT-001

This easy-to-spot flotation wraps around any HERO Session camera to keep it afloat. It's specially designed to protect your camera, while also giving you easy access to the shutter button. Floaty is perfect for worry-free shooting in and around the water while surfing, snorkelling, wakeboarding and more. Includes an adhesive anchor and camera tether for added security in extreme conditions.
