Long Description

292L CAPACITY

Enjoy an impressive amount of storage space with this Russell Hobbs chest freezer; perfect for providing extra freezer capacity in your home or garage. With 292 litres of space, there's room for up to 16 bags of shopping! You can make meal times easy by batch-cooking meals for the whole family and keeping them ready to go in the freezer. Plus, this model boasts two removable wire baskets, meaning you can keep all your family favourites within easy reach. Ice cream, anyone?

ENERGY EFFICIENT

The RHCF300-ML is a freezer designed with functionality in mind. With an A+ energy rating, you can trust it to keep costs and your carbon footprint to a minimum. Your freezer is on 24/7, which is why it's so important to invest in one that's environmentally friendly. As a 4 star rated freezer, the RHCF300-ML can operate at temperatures as low as -15°C and store certain food safely for up to 12 months.

EASY TO USE

With an adjustable thermostat, the temperature can be precisely adjusted to suit the contents of your freezer. Plus, there are adjustable feet to ensure your freezer is stable on uneven surfaces. This model features a counter balance lid, which means you can rummage without risking your fingers - once opened fully, the lid holds itself up.

WINTER SHIELD

Thanks to our Winter Shield technology, you can place your freezer in your garage, outbuilding or inside your house. This technology ensures your freezer performs properly and keeps your food frozen even in temperatures as low as -15°C. Free up some room in your kitchen fridge-freezer with this spacious solution instead! Wherever you choose to keep your freezer, you can be reassured it won't be disturb you. At its loudest, this unit makes 41dB of noise, making it a quiet appliance that won't keep you up at night.

5 YEAR GUARANTEE

For added peace of mind, this freezer come with a 5 Year Guarantee upon registration. This way, in the unlikely event something goes wrong, you know we'll always be on hand to help.
