

## AFTERCARE

Wash any brush you use for liquid make-up after every use.

Use a small amount of mild shampoo or soap and rinse your brushes under lukewarm water until the water runs clear. Hold the brush under the water with the handle pointing up so that you do not damage the brush.

To retain the shape of the brush hair, gently squeeze out all traces of soap and water. Place them on a clean dry towel. Ensure they are completely dry before storing.

## SPECIFICATION

Model: BRST  
Made with: Wooden Handle, Aluminum Ferrule,  
Synthetic Bristles.
