

Patch Magic[®]

Getting the results you want when you seed can be a challenge, that's why we created Miracle-Gro[®] Patch Magic[®].

The only revolutionary patching mix that takes care of the seed for you so you can grow thick beautiful grass ANYWHERE! Even on concrete!

How Miracle-Gro[®] Patch Magic[®] works

Grass Seed:

Miracle-Gro[®] best high performance grass seed.

Coir:

Absorbs 6x its weight in water and expands to surround the seed in a moist protective layer.

Fertiliser:

Exclusive controlled release technology feeds seedlings to jumpstart growth.

Tackifier (binder):

Helps keep seed from washing away.

Grow thick, beautiful grass ANYWHERE - GUARANTEED!

Where to grow - anywhere

Grows in full sun

Grows in dense shade

Grows in high traffic areas

Grows on slopes**

When to use

Use anytime between MARCH and SEPTEMBER. After opening, use Miracle-Gro[®] Patch Magic[®] within the season. Store in a cool, dry place.

Miracle-Gro[®] satisfaction guarantee

If you are not completely satisfied, please retain the packaging and proof of purchase and contact consumer care team.

Evergreen Garden Care UK Ltd,
1 Archipelago, Lyon Way, Frimley, Surrey GU16 7ER.
www.miraclegro.co.uk

Small EC 'A' package. Packers Reference No. 7309 (UK). Packed in the EU (UK). Seed mixture for amenity use.

† First shoots in 4 days when grown under ideal conditions. Results may vary.

* Than ordinary seed in greenhouse testing, when both received less than optimal watering. Results may vary.

For best results follow watering directions.

** Subject to proper care.

UK declaration

Nitrogenous fertiliser (1-0-0) (urea)
Nitrogen (N) total 1.0%

EIRE declaration

Low nutrient urea type fertiliser (1-0-0)
Nitrogen (N) total 1.0%
Ureic nitrogen (N) 1.0%

How to use

Rake

Remove dead grass, loosen soil and give a thorough soaking with water.

Shake

Apply evenly. Ensure soil is still visible so seeds have enough space to germinate. For thin areas apply half as much.

Water

Water thoroughly until dark brown. As the coir begins to turn a lighter brown, add more water.

Made in the UK
7.5% (76g) seed
85.6% (869g) coir
3.9% (40g) feed
(poly-S NPK 38-0-0)
3% (30g) starch
