LAWN WEEDKILLER

MAPP: 19316
PCS No: 06560

INSTRUCTIONS FOR USE

Powerful action for troublesome Lawn Weeds
FOR USE ONLY AS A HOME & GARDEN LAWN WEEDKILLER.
READ ALL SAFETY INSTRUCTIONS BEFORE USE.
Maximum individual dose: 500 ml product per 25 m²

WHEN TO USE

Use on leafy weeds April - September when they are small and actively growing and the soil is moist.

J F M A M J J A S O N D

For best results following spraying, do not cut grass for at least one day after treatment. Avoid spraying in drought or frost. To avoid drift, do not spray in windy conditions.
DO NOT USE ON NEW-SOWN LAWNS FOR AT LEAST SIX MONTHS AFTER ESTABLISHMENT. Re-treatment may be necessary for well-established difficult to control weeds.
Allow an interval of at least 6 weeks between treatments.
Maximum number of treatments: 2 per year.

WHERE TO USE

FOR USE ON LAWNS, for the control of most common broad-leaved lawn weeds. Including problem weeds such as Clover, Daisy, Dandelion, Plantain and Common Chickweed. This pack treats 150 square metres.

HOW TO USE

SHAKE WELL BEFORE USE.

Always ensure the container is stored and carried upright when not spraying.

Mark out the area to be treated in metre squares.

1. Remove sprayer and pull out the red connector and connecting hose.

2. Insert the red connector into the red receptor on bottle cap until it clicks. Flip up receptor.

3. Turn the spray nozzle to 'ON' and prime by squeezing the trigger a few times.

4. Apply the spray evenly to leaves and stems. Weeds must be thoroughly wetted to the point of run-off.

5. After use, push connector down, squeeze trigger to clear nozzle, turn nozzle to OFF position and replace the sprayer in the holster without disconnecting the hose.

CAUTION

Avoid spray coming into contact with cultivated plants.

The first 4 mowings of treated grass must be composted for 6 months before use as a mulch. DO NOT dispose of grass clippings via council composting schemes. Scorching of grass can occur if more than one squeeze is applied to a given area. Control may be reduced if rain falls within 24 hours of application.

RISK AND SAFETY INFORMATION

TO AVOID RISKS TO HUMAN HEALTH AND THE ENVIRONMENT, COMPLY WITH THE INSTRUCTIONS FOR USE.

Read label before use. Do not eat, drink or smoke when using this product. Keep out of reach of children. If medical advice is needed, have product container or label at hand.

Protection during/in use: KEEP OFF SKIN. WASH OFF SPLASHES (IMMEDIATELY). DO NOT BREATHE SPRAY. WASH HANDS AND EXPOSED SKIN AFTER USE.

Storage and disposal: KEEP PRODUCT IN ORIGINAL CONTAINER, tightly closed, in a safe place. DO NOT RE-USE EMPTY CONTAINER. PROTECT FROM FROST. KEEP PRODUCT AWAY FROM CHILDREN AND PETS. KEEP AWAY FROM FOOD, DRINK AND ANIMAL FEEDING STUFFS.

Environmental protection: Do not contaminate water with the product or its container. Do not empty into drains. Direct spray away from ponds and other surface water bodies.

For the UK only: Dispose of contents/containers to a household waste recycling centre as hazardous waste except for empty containers which can be widely recycled. Contact your local council for details.

For ROI only: Dispose of contents/container to a household waste recycling centre as hazardous waste except for empty triple rinsed containers which can be disposed of by recycling. Contact your local council for details.
