Information

Important Safety Notice

This product is **not suitable for use by children** or by individuals with **physical, sensory, or mental impairments** that may limit their ability to operate the equipment safely, **unless** they have been given supervision or instruction concerning the safe use of the product by a person responsible for their safety.

Follow each step of the assembly as outlined by the steps in this Instruction Manual.

Assemble close to the products intended position.

Locate the product in a suitable area where it will not create an obstruction. Locate away from sources of heat or combustion.

Cleaning Maintenance

Do not clean the product with any abrasive cloths or chemicals. Solvents or detergents can cause damage to the surface. Periodically check and re-tight-en fittings where applicable. Re-tighten all fittings after first week following assembly. To clean, sponge down with warm water, a soft cloth and mild detergent.

If you are missing any components, contact our customer services department at support@vonhaus.com

DO NOT proceed with assembly if any components are missing.

General Safety

The assembly pack may contain small parts which can pose a choking hazard to children and pets. Place on solid and even ground.

Only use in an upright stable position.

Do not overload the product as this may result in damage to the product or personal injury.

110kg/242lb Maximum

Do not use power tools to assemble

Do not climb on

Do not jump on

Re-tighten fixings every 6 months
