## Safety and Care Advice

**Important – Please read these instructions fully before starting assembly**

- Check you have all the components and tools listed on pages 2 and 3 .
- Remove all fittings from the plastic bags and separate them into their groups .
- Keep children and animals away from the work area, small parts could choke if swallowed .
- Make sure you have enough space to layout the parts before starting .

- Do not stand or put weight on this product during assembly, this could cause damage .
- Assemble the item as close to its final position (in the same room) as possible .
- Assemble on a soft level surface to avoid damaging the unit or your floor .
- Parts of the assembly will be easier with 2 people .

• We do not recommend the use of power drill/drivers **for inserting screws** , as this could damage the unit . Only use hand screwdrivers .

- Dispose of all packaging carefully and responsibly .

### Care and maintenance

- Only clean using a damp cloth and mild detergent , do not use bleach or abrasive cleaners .
- From time to time check that there are no loose screws on this unit .
- This product should not be discarded with household waste . Take to your local authority waste disposal centre .
