Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the following pages.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- During assembly do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting.
- Unit weight: 5 kgs.
- Maximum safe weight of user: 110kgs.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.
- Regularly check and ensure that all bolts and fittings are tightend properly.

Warnings

- Do not stand on the stool.
- Do not use the stool as a step ladder.
- Do not sit with sharp objects in back pockets as this may damage the seat surface.
- Do not knock the surface of the seat against sharp solid surfaces.

Components - Parts

If you have damaged or missing components, call the Customer Helpline: Argos = 0845 6400800

Please check you have all the parts listed below

Ruler - Use this ruler to help correctly identify the screws

Assembly Instructions

Step 1

Attaching legs

Position the upper leg **3** and lower leg **4** as shown. Align holes and fix using bolt **B** & nut **C**.

Important: Tighten bolt and nut using allen key **E** and spanner **F** but do not fully tighten at this stage.

Step 2

Attaching stretcher

Position the stretcher **2** between the legs as shown. Align holes and fix using bolts **A**.

Important: Tighten bolts using allen key **E** but do not fully tighten at this stage.

Assembly Instructions

Step 3

Aligning the legs

Place the leg frame on a flat surface.

Fully tighten bolt **B** and nut **C** assembled in step 1 first using allen key **E** and spanner **F**.

Carefully make adjustments to the leg frame to ensure the legs are flat even on the floor.

Then fully tighten bolts **A** on stretcher **2** using allen key **E**.

Step 4

Attaching seat

Place the seat **1** face down on a flat protected and raised surface.

Position the leg frame on the seat as shown. Align the holes and fix using bolts **A** and curved washers **D**. Tighten the bolts using allen key **E**.

Important:

Do not over tighten bolt **A**.

Carefully turn over the bar stool.

Assembly is complete.
