Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on page 2.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Do not stand or put excessive weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Parts of the assembly will be easier with 2 people.
- Dispose of all packaging carefully and responsibly.
- Place the product on flat and steady surface during use.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Keep these instructions for further use.
- To ensure an easier assembly, we strongly advise that all fittings are only finger tightened during initial assembly. Only upon completion of the assembly should all fixing points be fully tightened.

Warnings

- (a) Do not place very hot or very cold items on the glass surface(s) unless adequately thick table mats are used to prevent such items from coming into contact with the glass.
- (b) Do not sit or stand upon the glass surface(s).
- (c) Do not use the glass as a chopping surface. Do not strike the glass with hard or pointed items.
- (d) When cleaning glass panels use a damp cloth or leather with washing up liquid or soft soap if necessary, do not use washing powders or any other substance containing abrasives since these substances scratch glass.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.
- Regularly check and ensure that all bolts and fittings are tightened properly.
