

## EXTENDING METAL PET GATE XTRA TALL

631/2149

If you need help or have damaged or missing parts, call the Customer Helpline: 08456 400 800

# IMPORTANT! READ AND FOLLOW THESE INSTRUCTIONS CAREFULLY AND KEEP FOR FUTURE REFERENCE

## Introduction

Please read the instructions thoroughly to ensure proper installation. Please immediately inspect your pet gate upon receipt. If you see any damage do not assemble gate and please go to back page of the instruction booklet for website or Consumer Relations Representative information. We recommend that you carry out the installation away from young children as some of the smaller components may present a choking hazard when loose.

## Important Information

Please check the gate on a regular basis to ensure gate and parts are all in proper working order. If the gate is used at top of stairs, it must be placed on the landing above the top stair. When using at top of stairs gate must open away from stairs. If the gate is used at the bottom of the stairs, please place towards the front of the lowest stair. The safety barrier must not be fitted across windows. Ensure gate is attached between two clean structurally sound surfaces. Ensure appropriate fixings are used for drywall, wood, brick, etc. If wall plugs are provided with the gate and do not secure to the wall satisfactorily, consult with a hardware store for your proper wall plug application. If additional parts are required for this gate, please go to back page of the instruction booklet for website or Consumer Relations Representative information.

## Disclaimer

Any pet gate which has been subjected to misuse, abuse, abnormal use, excessive wear and tear, improper assembly, negligence, environmental exposure, alteration or accident, or has had its serial number altered or removed invalidates any and all claims against the manufacturer. Any damage to property during installation of your safety gate is the sole responsibility of the end user.
