

KARMA™ GRIP

Capture stabilized footage so smooth your ordinary shots will look extraordinary. Enjoy professional, cinema-quality video whether you're hiking, biking or chasing your kids through the park. Karma Grip captures the amazing handheld and body-worn perspectives only a GoPro can—now with pro-quality stabilization.

FEATURES + BENEFITS

Amazingly Smooth Shake-Free Video

Enjoy incredibly stable cinema-quality video whether you're hiking, biking or chasing your kids through the park.

Hold it. Wear it. Love it.

Karma Grip captures the amazing handheld and body-mounted perspectives only a GoPro can—now with pro-quality stabilization.

For HERO5 Black

Karma Grip has everything you need to connect your HERO5 Black (camera sold separately).

HERO4 Compatible

Connect HERO4 cameras to Karma Grip with Karma Harness for HERO4 Black + Silver (sold separately).

Karma Drone Compatible

Karma Grip's camera stabilizer can be easily detached from the grip and attached to the Karma Drone for stabilized aerial footage.

On-The-Fly Camera and Angle Control

Simple controls let you power on and off, change modes, start and stop recording or add HiLight Tags on the fly.

Optional Extension Cable

Use Karma Grip with the optional Karma Grip Extension Cable.¹ Mount the stabilizer to a helmet and attach the grip to a backpack shoulder strap.

Easy Charging + Footage Offload

You can charge your GoPro and Karma Grip and offload your footage without disconnecting your camera.

Extra-Long Battery Life

The built-in battery powers both the grip and your GoPro for up to two hours on a full charge.

70% Faster Charging

Recharge Karma Grip up to 70% faster² using the optional GoPro Supercharger (International Dual-Port Charger).

Optimized for HERO5 Black + HERO4 Black and Silver

Karma gives you camera control and live preview for HERO5 Black, HERO4 Black and HERO4 Silver.
