DELUXE TWO TIER SHOE CABINET

IMPORTANT - READ CAREFULLY - RETAIN THESE INSTRUCTIONS FOR FUTURE REFERENCE.

INFORMATION

- This product is designed to hold 20Kg in total, spread evenly over the whole unit. Do not exceed this weight.
- Due to the size of this product we recommend that it is assembled in the room intended for use.
- When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
- Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent it from scratching.
- Check the pack and make sure you have all the parts listed.
- Ensure that this product is fully assembled and secured as illustrated before use.
- Check all screws or bolts are tightened and inspect regularly.
- This product should only be used on firm, level ground.
- Keep small parts out of reach of children.
- Make sure the legs remain in contact with the ground.
- Tools are not included.

WARNINGS

- DO NOT use power tools to construct this product.
- DO NOT over tighten screws or bolts.
- DO NOT use this product if parts are missing, damaged or worn.
- DO NOT sit or stand on the product.
- It is essential that this unit is fixed to a wall with the fixings provided.
- We recommend the use of the wall fixing provided for safety reasons. N.B. if in doubt pls consult a qualified tradesperson. **Warning:** Always ensure the area to be drilled is free from hidden electrical wires, water and gas pipes.

CARE INFORMATION

- Never use scourers, abrasives or chemical cleaners
- To clean wipe with a sponge and warm soapy water. Do not use solvent based cleaners or detergents as they can bleach or damage the product

DELUXE TWO TIER SHOE CABINET

Please check the pack contents before assembling the product. If any components are missing, please contact your retailer. The fittings pack contains small items that should be kept away from small children.
