Piano Bench

IMPORTANT

Installer and Users please note:

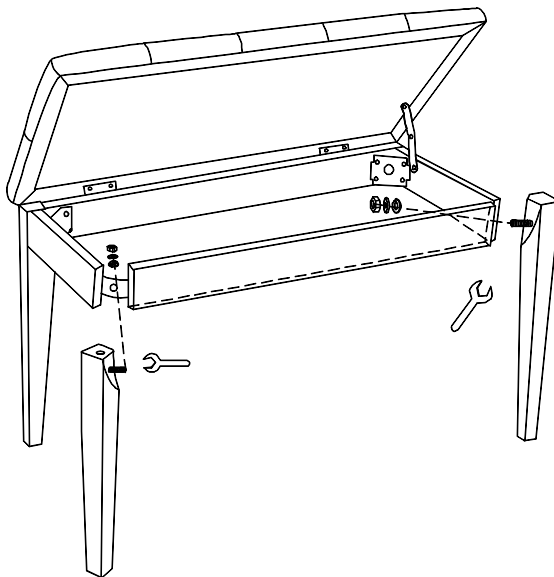

These instructions should be read carefully and left with the user of the product for future reference.

BEFORE USE

Carefully remove all packaging. Avoid using any knives or other sharp instruments as this may damage the surface of the item.

Check the product for any visible damage. If you see any damage or suspect a fault, do not use your product, but contact your supplier for support.

ASSEMBLY

Each of the legs has a male screw-thread attached at the top. Insert the screw thread through the hole in the corner of the tray. Place the washer over the screw thread, followed by the nut. Tighten the nut with the spanner provided until the spring washer is compressed. Repeat with the other three legs.

PRODUCT SAFETY

- This product can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the product in a safe way and understand the hazards involved.
- Children shall not play with the product.
- Cleaning and user maintenance shall not be made by children without supervision.
- Place the product on a firm flat stable surface.
- Exercise common sense and do not take any unnecessary risks when using this product; as the user, you must accept liability for safety when using the product.
