# GETTING STARTED

## BATTERY INSTALLATION

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the bottom of the unit.
3. Use a screwdriver to loosen the screw and open the battery cover.
4. Install 3 new AA (AM-3/LR6) batteries into the battery box as illustrated. (The use of new alkaline batteries is recommended for maximum performance.)
5. Replace the battery cover and tighten the screw to secure.

## BATTERY NOTICE

- Use new alkaline batteries for maximum performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable (Ni-Cd, Ni-MH), or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision

## Disposal of batteries and product

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health. The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC). The solid bar indicates that the product was placed on the market after 13th August, 2005. Help protect the environment by disposing of your product or batteries responsibly. ## 7. Stacking Activity Card

Insert the **Stacking Activity Card** into the **Card Reader**. Stack as many **Ice Cream Scoops** and **Toppings** on the **Ice Cream Cone** as you can before the music stops. When you're done, press the bell.

## 8. Creativity Activity Card

Insert the **Creativity Activity Card** into the **Card Reader**. Create your own ice cream cone using the **Magic Scooper** or **Syrup Pump**. Press the bell when you're done to hear the daily special.

## 9. Push Cart

Push the cart for fun music and songs, and exercise gross motor skills.

# CARE & MAINTENANCE

1. Keep the toy and accessories clean by wiping them with a slightly damp cloth.
2. Keep it out of direct sunlight and away from direct sources of heat.
3. Remove the batteries when not using it for an extended period of time.
4. Do not drop the unit on a hard surface and do not expose it to excess moisture.

# TROUBLESHOOTING

If for some reason the program/activity stops working, please follow these steps:

1. Turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit back **ON**. The unit will now be ready to play again.
5. If the unit still does not work, replace with an entire set of new batteries.

## Environmental phenomena.

The unit may malfunction if subjected to radio-frequency interference. It should revert to normal operation when the interference stops. If not, it may become necessary to turn the power **OFF** and back **ON**, or remove and reinstall the batteries. In the unlikely event of an electrostatic discharge, the unit may malfunction and lose memory, requiring the user to reset the device by removing and reinstalling the batteries.
