Safety Information

Important-Please read the instruction before assembly and keep it for further reference

WARNING

BEFORE ASSEMBLING THIS COT, READ AND UNDERSTAND THE FOLLOWING INSTRUCTIONS

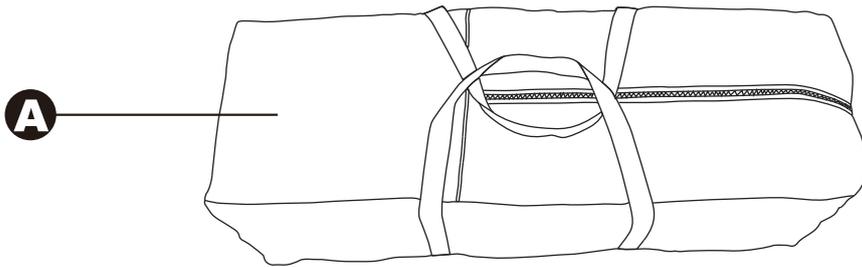

- **WARNING** :Adult assembly required
- **WARNING** :Keep small parts out of the reach of children under 36 months because of possible choking hazard .
- **WARNING** :Be aware of the risk of open fire and other sources of strong heat, such as electric bar fires, gas fires, etc. in the near vicinity of the cot.
- **WARNING** :Do not use the cot if any part is broken, torn or missing and use only spare parts approved by the manufacturer.
- **WARNING** :Do not leave anything in the cot or place the cot close to another product, which could provide a foot hold or present a danger of suffocation or strangulation, e.g. strings, blind/curtain cords, etc.
- **WARNING** :All assembly fittings should always be tightened properly and fittings should be checked regularly and retightened as necessary.
- **WARNING** :Failure to extend the top rails and lock them securely creates a safety risk, ALWAYS check that the rails are fully engaged before use.
- **WARNING** :When the child is able to climb out of the cot, to prevent injury from falls, do not use the cot for that child any longer.
- **WARNING** :Do not use your travel cot without the mattress.
- **WARNING** :Do not use more than one mattress in the cot, recommended mattress size is 940x680mm.
- **WARNING** :Do not use any mattresses which are not approved by the manufacturer.
- **WARNING** :The depth of the mattress should not reduce the side height above it to less than 500mm.
- **WARNING** :Keep your travel cot away from trailing cords or flexes.
- **WARNING** :Do not leave your child unattended.
- **WARNING** :Only use the cot with one child at a time.
Do not move the product with the child inside.
- **WARNING**: Do not place the cot close to an open fire and other heat source.
- **WARNING**: Do not use the cot without base.
- **WARNING**: Ensure that the cot is fully erected and all the locking mechanisms engaged before placing your child in this cot.
- **WARNING** : All assembly fittings should always be tightened properly and that fittings should be checked regularly and retightened as necessary.
This Travel cot is intended for children from birth to 36 months and weight up to 15 kgs.

This product is made in compliance with EN716-1 &-2:2008+A1:2013

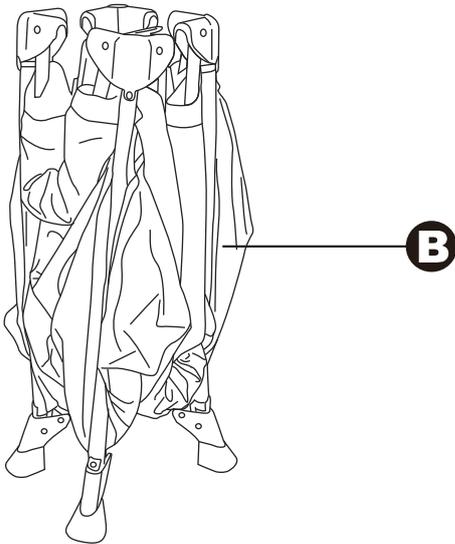

Components

If you need help or have further question,
call the Customer Helpline **03456 400 800**

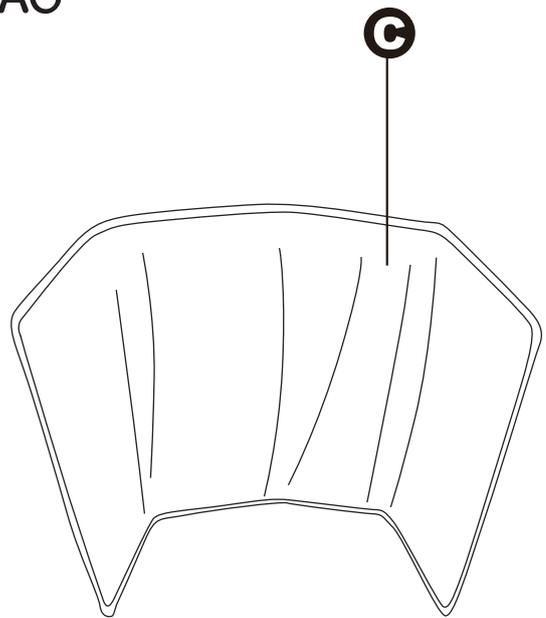

Please check if you have all the parts listed below before starting assembly

CARRY BAG

FRAME BODY

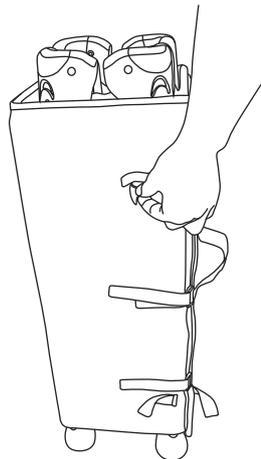

MATTRESS

Assembly Instructions

Step 1

Unzip the travel bag and remove the frame and mattress.

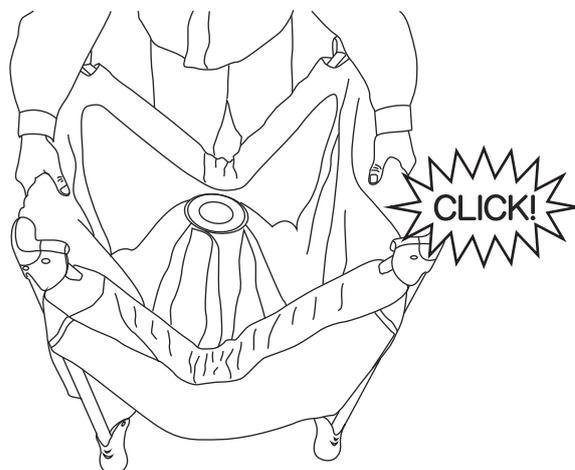

Place the cot in a vertical position and open the touch fasteners to remove the mattress.

Step 2

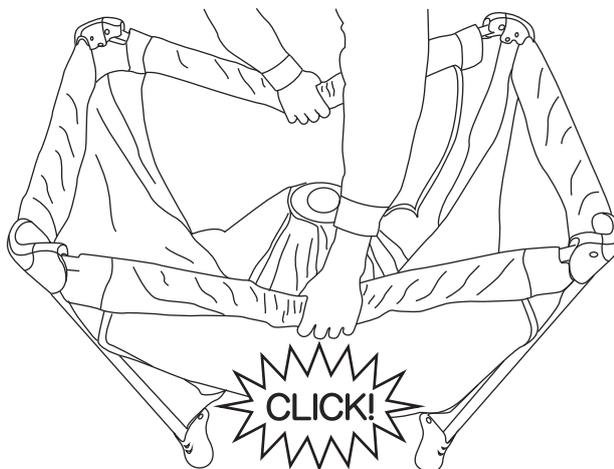

With the cot in folded vertical position on the floor, pull the feet apart so that they are approximately 60cm or 24 inches apart. Lift the short sides of the cot upwards until they lock into position.

Note: Do not press the center base of the cot until all sides of the cot are locked properly.

Step 3

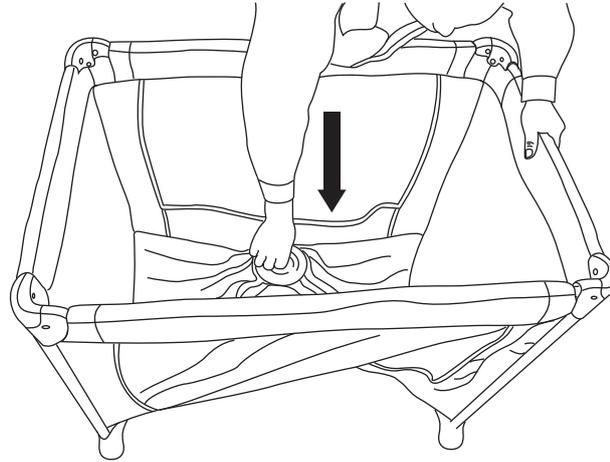

Now lift the length sides of the cot upwards until they lock into position, check that all four sides have engaged correctly by pressing down on each arm at the center. If you have difficulty locking the sides, lift the center of the base a little higher (around 40cm from ground) and start the process again.

Assembly Instructions

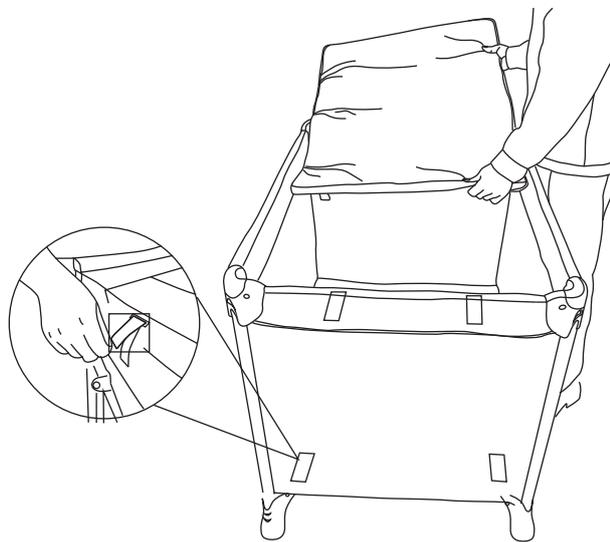

Step 4

Push the center of the cot base downwards until it audibly locks into place.

Step 5

Place the mattress in the travel cot with the padded side up, align the touch fasteners on the mattress with those on the base and press down to ensure they are stuck together.

Note - The travel cot is ready for use, only when the locking mechanisms are engaged. Check carefully that they are fully engaged before using the travel cot

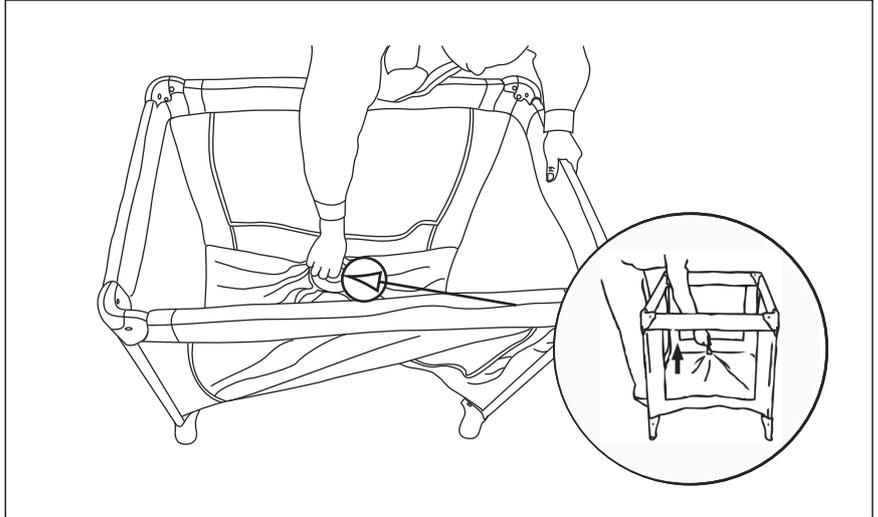

Folding the cot

Step 1

Loosen the fasteners on the back of mattress and take mattress out from the travel cot.

Lift the handle in the middle of the base, and then pull the handle upwards.

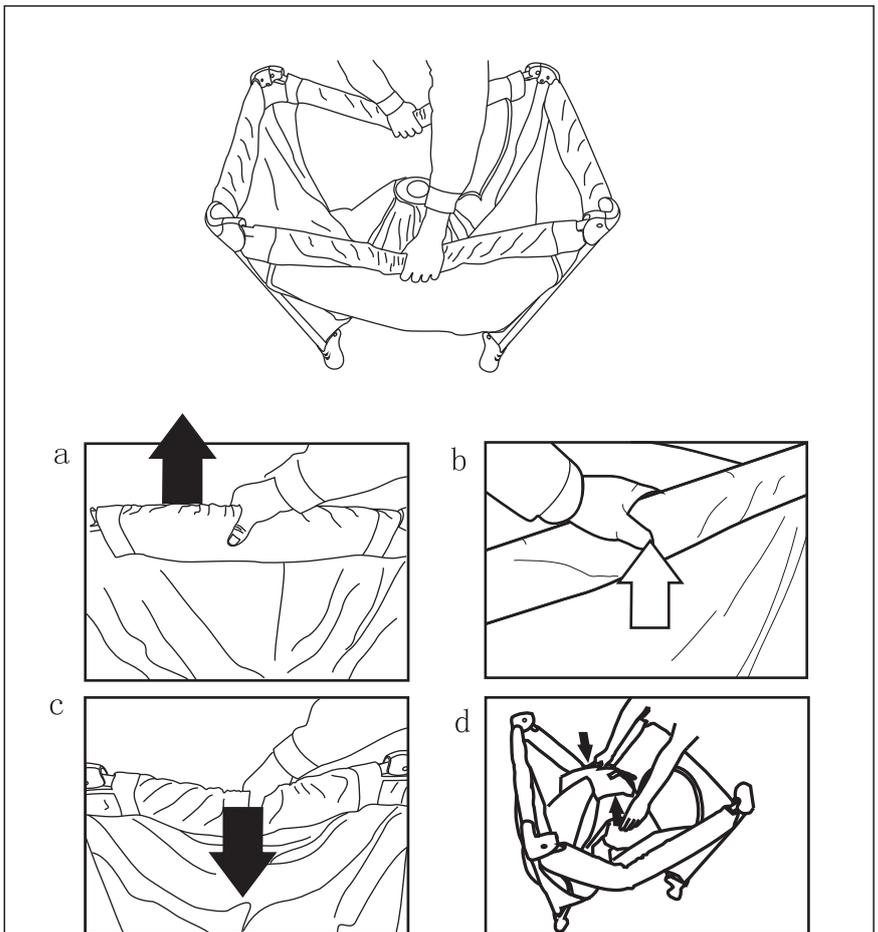

Notice: Ensure to hold the tube of either side at the bottom while lifting the handle up.

Step 2

Lift the side rails slightly(a) and press the lock in the middle of the rail(b) (indicated with arrows). Hold the lock pressed whilst gently lowering the side rail(c),

Ensure that the side rail disengages on both sides of the mechanism. Pull together the 2 support legs underneath the fabric to center base as close as possible to the center base(d).

IMPORTANT NOTICE

In order to fold travel cot closely, pull together the 2 supporting legs underneath the fabric to the center base as close as possible.

RIGHT WRONG

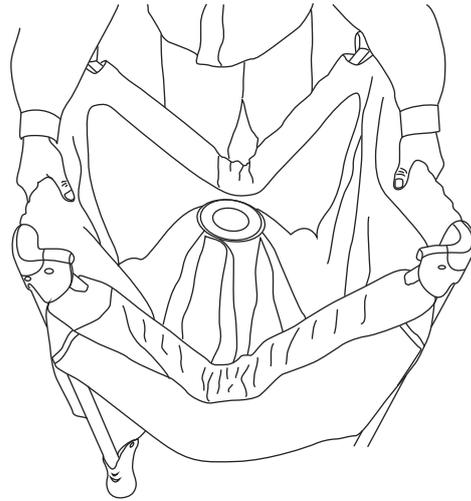

IMPORTANT NOTICE

Make sure the connection joint is in correct position as shown, if not, push down the lock again and turn the lock joint until it reaches right position.

Packing up the cot

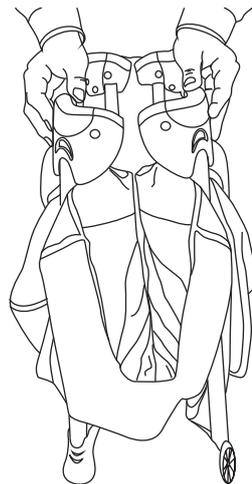

Step 3

Repeat this process on the short sides. Check that all 4 sides have disengaged properly and then pull the center of the base, if you have difficulty unlocking the sides, try to lift the center of the base a little higher and start the process again.

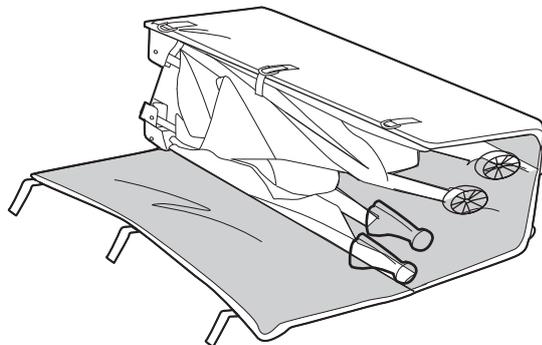

Step 4

With the upper part of the travel cot in the closed position, push all 4 feet together to fold the travel cot closely.

Step 5

Wrap the mattress around the travel cot tightly with padded section inside, fasten the touch fasteners through the tabs and secure tight. Pull the travel bag provided over the travel cot and zip it closely.

Care and Maintenance

Your child's safety is your responsibility

To clean the mattress base and travel cot fabric wipe it using a mild detergent and water. Never clean with abrasive, ammonia based, bleach based or spirit type cleaners. The travel cot must be dried thoroughly before use or storage.
