

## AURA LCD ALARM CLOCK

Thank you for your purchase of this quality clock.

Please read these instructions and keep in a safe place for future reference.

1. Snooze/Light button
2. Time set button
3. Alarm set button
4. Alarm ON/OFF switch
5. HOUR button
6. MIN button

### TO INSTALL/REPLACE THE BATTERIES

Remove the battery compartment cover and insert 2 X AAA batteries observing the polarity markings inside the compartment. Replace the cover.

### TO SET THE TIME AND ALARM

To set time - Hold down TIME SET button.

To set the Alarm - Hold down ALARM SET button.

Press Min or Hour button to set desired time.

**Note.** PM indicator will display for PM time.

### TO TURN ON/OFF ALARM

Slide the switch to ON or OFF position - the bell icon will display when the alarm is turned ON.

### LIGHT/SNOOZE

To activate the display light, press SNOOZE/LIGHT button.

To activate snooze during the alarm, press SNOOZE/LIGHT button - after which alarm will sound again approximately 5 minutes later.

### CHANGING BATTERIES

It is recommended that you replace the batteries annually even if the product is still running. Only use 2 X AAA (1.5V) Alkaline batteries in this clock. Do not mix new or used batteries, different types or brands. Remove the batteries if the clock is stored or not in use. Remove exhausted batteries from the product.

**Warning:** Do not recharge non-rechargeable batteries.

Please dispose of used batteries in a responsible manner. For more information please contact your local authority.

### MAINTENANCE

A soft paper towel may be used to clean your clock. Do not use any corrosive cleaner or chemical solutions on the clock. Keep the clock clean and dry to avoid any problems.

### YOUR GUARANTEE

Your clock is guaranteed for 2 years from the date of purchase against any faults arising from defective materials or manufacture. Damage caused through careless handling, misuse or in transit is expressly excluded. Should this clock fail within 2 years please return it in the first instance to your retailer.

### Environmental Protection

Disposal of electrical & electronic equipment

Do not dispose of this product with household waste. For the proper treatment, recovery and recycling please take this product to the appropriate collection point. If you are unsure of where this is contact your local authority.

Improper disposal may be harmful to the environment.
