

## PRODUCT FICHE

# Hisense

## Wine storage 20010936 RW12D4NWG0

### USP :

|  |                                   |
|--|-----------------------------------|
| Freezer illumination                             | LED light                         |
| Type of display                                  | LED display                       |
| Illuminated interior of refrigerator compartment | LED interior light on the ceiling |
| Refrigerant                                      | R600A                             |

### Basic information :

| Brand                                    | HISENSE                                      |
| Product line / Family                    | Wine storage                                 |
| Commercial code                          | RW12D4NWG0                                   |
| Product code                             | 20010936                                     |
| EAN code                                 | 6921727067913                                |
| Product category                         | Wine store                                   |
| Construction type                        | Free-standing                                |
| Assembly of integrated door              | N/A  |
| Rated power                              | 0 W  |
| Current                                  | 0  |
| Voltage                                  | 220-240 V                                    |
| Frequency                                | 50 Hz  |
| Symbols of compliance                    | CE,CB,UKCA,ERP,GS                            |
| Number of compressors                    | N/A  |
| Length of power supply cord              | 200 cm                                       |
| Plug type                                | Euro/schuko                                  |
| Total volume                             | 93 l   |
| Height                                   | 842 mm                                       |
| Width                                    | 475 mm                                       |
| Depth                                    | 448 mm                                       |
| Height of the packed product             | 887 mm                                       |
| Width of the packed product              | 468 mm                                       |
| Depth of the packed product              | 495 mm                                       |
| Net weight                               | 26,0 kg                                      |
| Gross weight                             | 27,9 kg                                      |
| Annual energy consumption (EU 2019/2016) | 154,0 kWh/annum                              |
| Door opening direction                   | Right reversible                             |
| Climate class                            | N, ST  |
| Colour/housing material                  | ST/NR; Glass/Colour of stainless st. - Steel |
| Colour/door material                     | ST/NR; Glass/Colour of stainless st. - Glass |

### Features :

|                                  |                    |
|----------------------------------|--------------------|
| Short description of the product | JC-94 - RW12D4NWG0 |
| Number of temperature zones      | 1                  |

|  |            |
|--|------------|
| Temperature scale                              | W          |
| Door opened indicator                          | N/A        |
| Interior fan                                   | N/A        |
| Number of adjustable shelves                   | 0          |
| Shelf material                                 | Wire, wood |
| Thermometer                                    | None       |
| Interior light switch                          | N/A        |
| Included equipment                             | N/A        |
| Possibility of changing door opening direction | Yes        |

**Energy label information / Performance :**

|  |               |
|--|---------------|
| Energy efficiency class (EU 2019/2016)   | G             |
| Airborne acoustical noise emission class | C             |
| EPREL number                             | 0             |
| Capacity in 0.75l (bordeaux bottle)      | 30            |
| Sound power level                        | 38 dB(A) re 1 |
