GAMING MECHANICAL BACKLIT KEYBOARD

V500Pro

The V500Pro is the mechanical gaming keyboard for exacting purists, looking for unique equipment. With its elegant look boasting an aluminum alloy surface, fully mechanical switches, individually backlit keys with adjustable brightness, spill-resistant design and anti-ghosting (all keys are conflict-free), this keyboard offers

endless gaming fun. What's more, the keyboard takes up less space on your desktop thanks to its full-size yet compact design – making it perfect for LAN parties and laptop gaming, too.

MECHANICAL SWITCHES

Think fast, act fast: The mechanical switches on your V500Pro have 4.0 (± 0.4) mm of key travel distance – plus they offer an incredible life span of up to 60 million key strokes. Put more clearly: Own it and enjoy even faster, more precise, and longer-lasting fun.

SPILL-RESISTANT DESIGN

Drinks allowed on your desktop: The clever design and the choice of materials protect the keyboard against splash damage.

ADJUSTABLE BACKLIGHT SYSTEM

Multi-color adjustable backlight system lightens the keys individually adding to the alloy surface finish, making V500Pro more eye-catching.
