

A LEGO Technic model of Bowser, the antagonist from the Super Mario Bros. franchise. Bowser is depicted with a tan body, green shell, and red horns, seated in a custom-built orange and blue vehicle. The car features large blue wheels, a black engine block with a red flame decal, and yellow headlights. A small yellow banana is placed on the ground in front of the car. In the background, a grey and black structure with a red shield emblem is visible.
