Issue 2-11/05/2014

Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on page 2.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- Do no stand or put weight on the product during assembly, this could cause damage.
- Assemble on a soft level surface to avoid damaging the hook or your floor.
- Parts of the assembly will be easier with 2 people.

 We do not recommend the use of power drill/ drivers for inserting screws, as this could damage the unit.

Only use hand screwdrivers.

 Dispose of all packaging carefully and responsibly.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this hook.
- This product should not be discarded with household waste.
 Take to your local authority waste disposal centre.

Components - Parts

If you have damaged or missing components, call the **Customer Helpline: 03456 400800**
