Product Description			
Product Name		Afternoon Blend 10 Tea Bags in Carton	
Description of Product		How one blend of 100% Ceylon tea can differ so from another seems curious to those of us who are not familiar with the intricacies of the Camellia sinensis plant, otherwise known as the tea bush. But a journey around the tea plantations will immediately provide the answer. Literally 'glorious island', Sri Lanka is the home of Ceylon tea and it offers a wondrous variety of growing regions, each of which yields a different flavour. Growing the tea at a medium altitude gives this tea a lighter, fresher flavour than its lower grown, strong and malty counterparts used for English Breakfast Tea. Best sipped in the afternoons with a plentiful array of biscuits and cake. Available here in a carton or in our signature clip-top tin.
