

Patch Magic®

Dog Spot REPAIR

The high salt content in dog urine can burn the grass causing unsightly bare patches and makes it very difficult for grass seed to grow and the lawn to recover.

That's why we've developed Miracle-Gro® Patch Magic® Dog Spot Repair, a revolutionary seeding mix specially designed for repairing the lawn damaged by dog urine.

Where to grow - anywhere

Grows in full sun

Grows in dense shade

Grows in high traffic areas

When to use

Use anytime between MARCH and SEPTEMBER.

After opening, use Miracle-Gro® Patch Magic® within the season. Store in a cool, dry place.

Miracle-Gro® satisfaction guarantee

Evergreen Garden Care UK Ltd, 1 Archipelago, Lyon Way, Frimley, Surrey GU16 7ER.

Miracle-Gro® is made under licence from OMS Investments, Inc.

Miracle-Gro® is the trademark of OMS Investments, Inc.

Small EC 'A' package.

Packers Reference No. 7309 (UK).

Packed in the EU (UK).

Seed mixture for amenity use.

Made in the UK

79.7% (1030.5g) coir

14.3% (184.9g) gypsum

6% (77.6g) grass seed

How Patch Magic® Dog Spot Repair works

Gypsum:

A calcium rich mineral to help rebalance the soil nutrient levels.

This helps the grass seeds to germinate and flourish.

Grass Seed:

Miracle-Gro® premium salt tolerant grass seed varieties.

Coir:

Absorbs 6x its weight in water and expands to surround the seed in a moist protective layer.

How to use

Rake

Remove dead grass, loosen soil and give a thorough soaking with water.

Shake

Apply evenly. Ensure soil is still visible so seeds have enough space to germinate. For thin areas apply half as much.

Water

Water thoroughly until dark brown. As the coir begins to turn a lighter brown, add more water.
