INSTRUCTIONS

1. POWER ON/OFF

Method A:

To Switch On, press and hold the function button for 3 seconds. The red and blue lights will flash alternately on pairing mode then automatically pair with each other.

- To Switch Off, press and hold the function button for 3 seconds while it's turned on.

When the earpods are disconnected from any connected device, it will automatically switch off after 3 minutes.

Method B:

Make sure the charging box is charged, take the earpods from charging box (power on), put the earpods into charging box (power off).

2. QUICK PAIRING:

When the earpods are turned on, the red and blue lights of the earpods flash alternately. Both earpods will pair automatically. Search "Zero G-0001" in phone bluetooth settings. Select "Zero G-0001", pair and connect it from your smartphone.

3. FUNCTIONS:

- To pause or play music / answer the phone or hang up phone, tap once on touch panel.
- To Connect to Siri, tap the touch panel and hold for 2 seconds.
- To select the next song (right earpods) / last song (left earpods), double tap the touch panel.

- To reject a call press the touch panel and hold for 2 seconds.
- To increase the volume (right earpods) / reduce the volume (left earpods), tap 3 times on touch panel.

4. CHARGING THE EARPODS:

The earpods do not have charging port but have two touch points for charging on the docking. The two charging pins will connect with the two touching points on the earpods to realize the charging.

The indicator on the earpods become red when it is charging, and it will go off when fully charged.

Charging time about 1 hour for fully charge.

5. CHARGING THE CHARGING BOX:

- Charging port: Micro USB
- Charging time about 2 hours for fully charge.
- Fully charged charging box can support earpods charging 3 times

FAQ'S:

Q) Can't find the earpods in the Bluetooth list?

A) Please make sure your earpods are not connected with any other devices before searching the earpods from phone bluetooth settings. If it is connected with another device, either switch off or clear the pairing of the connected device Bluetooth. Turn off and on the earpods again so it can be searched and connected with the intended device.

Q) Can't turn on the earpods?

A) Make sure both earpods are fully charged.

NUSOUND ZERO•G PODS 24 MONTH WARRANTY

We at NUSOUND pride ourselves in the quality of our products but occasionally there may be a bump in the road. We therefore guarantee our products for 24months against defects in materials and workmanship under normal use.

If a hardware defect occurs within the warranty period of 24months, NUSOUND will either replace defective part or provide a replacement product, providing proof of purchase is sent with the item.

9

A replacement product or part assumes the remaining warranty of the original product or 24months from the date of replacement or repair, whichever is longer.

When a product is exchanged, or part of a product is exchanged, any replacement becomes your property and replaced item becomes NUSOUND's property. Parts provided by NUSOUND in fulfilment of this warranty obligation must be used in products for which warranty services is claimed. When returning product under warranty, item must be returned along with original packaging and retailer receipt. Without the receipt, the warranty will be considered invalid.

10

It is your responsibility to back any data up. If, during repair or replacement, goal data is lost, NUSOUND cannot be held responsible.

NUSOUND is not responsible for product failure caused by non-compliance with product instructions. The warranty does not cover the cost of returning the product; this must be borne by the customer.

No NUSOUND reseller, agent or employee is authorized to make any modification, extension or addition to this limited warranty. If any term is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall not be affected or impaired.

11

RETURNS

If your NUSOUND should ever need to be replaced under warranty, send an £8.00 check or money order payable to Ibex Fulfilment to cover costs of postage and handling. Please send it to the following address:

Dartmouth Brands Ltd
