INSTRUCTIONS FOR USE

STEP 1:

Remove the bottom silicone cap and yellow sticker.

STEP 2:

Slot your flavour capsule into the battery.

STEP 3:

Your GO device is ready to use.

CHARGING YOUR BATTERY

1. Plug in the supplied micro USB cable to the battery charging port on the bottom of the battery and connect the cable to the Socialites UK 3 pin adapter. **Please note that this device must only be charged with a Socialites branded USB cable and Wall charger.**
2. The battery LED light will be constantly lit to indicate charging.
3. Once fully charged, the battery LED light will flash 20 times before the light turns off.
4. Unplug the battery from the micro USB charging cable, the LED light will blink 3 times, then turn off.
5. Your battery is ready to use again.

IMPORTANT INFORMATION

Please read carefully before use to avoid improper operation.
