# Safety and Care Advice

## Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the following pages.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- During assembly do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

• We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers.

- Unit weight: 23.3 kgs.

## Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that part connections are tight and in place.
- Always lift the product when moving it around. Never drag.
- Do not stand on the product.
- Do not use this product as step ladder.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

## Handy Hints

- Regularly check and ensure that part connections are tight and in place.

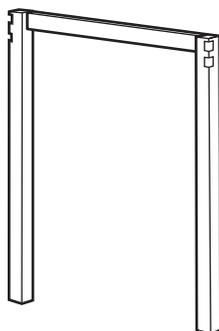

# Components - Parts

If you have damaged or missing components, call the **Customer Helpline: 0345 640 0800**

Please check you have all the parts listed below

**1** Table top x 1

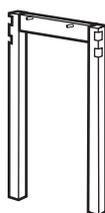

**2** Table leg x 2

**3** Table rail x 2

**4** Seat x 2

## Additional Tools Required

RUBBER Mallet (NOT PROVIDED)

**Ruler** - Use this ruler to help correctly identify the screws

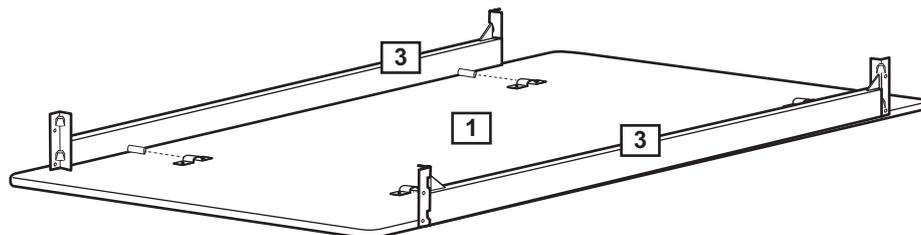

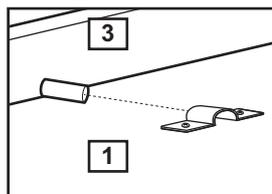

# Assembly Instructions

## Step 1

### Assembling the table rails

Carefully place the table top **1** face down on a flat protected surface.

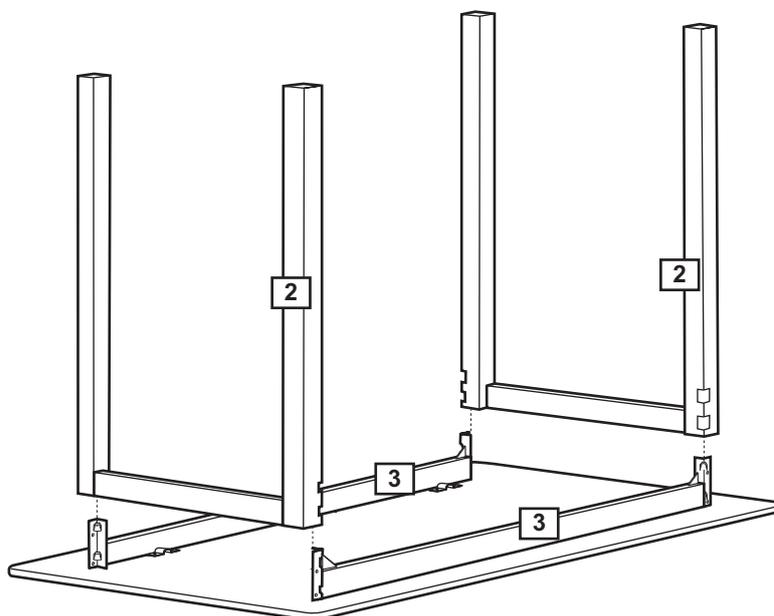

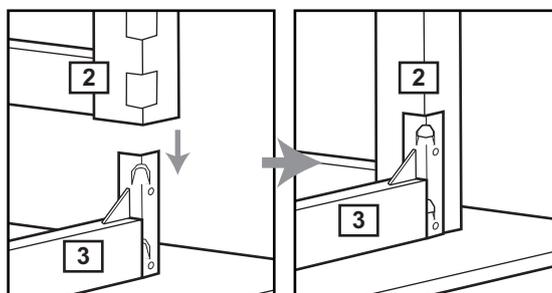

Attach the table rails **3** by inserting the dowels on the rails into the brackets on the table top **1** as shown.

## Step 2

### Assembling the table legs

Position the table legs **2** on the table top as shown and fix by inserting the fastener on the table rails **3** into holes on the table legs then push it down to lock.

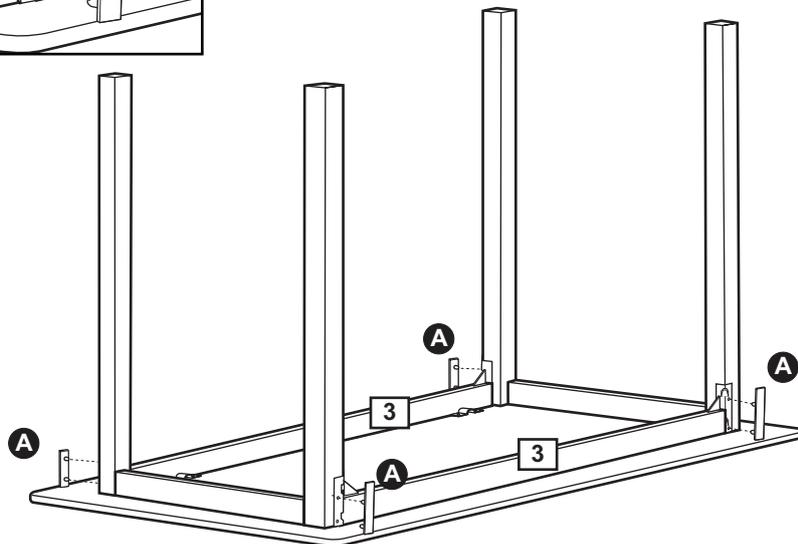

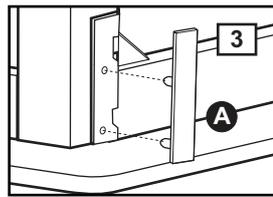

# Assembly Instructions

## Step 3

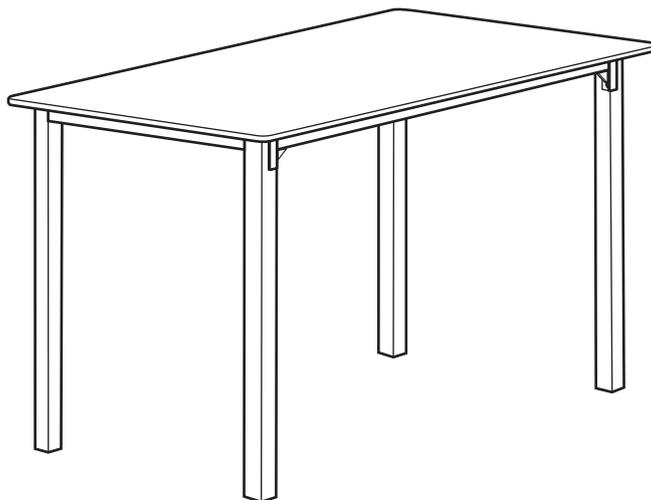

### Securing the table legs

Attach caps **A** into holes on the table rails **3** as shown. Insert and lock it carefully into holes by pressing firmly.

Then carefully turn the table upright and place on a flat surface.

At least 2 persons are required to lift the table.

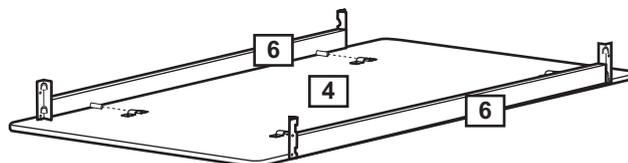

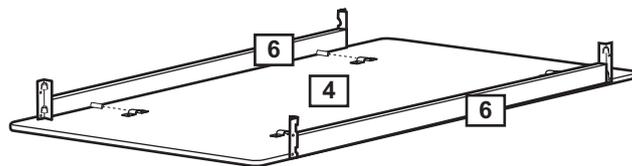

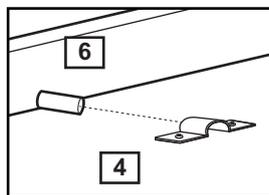

## Step 4

### Assembling the bench rails

Carefully place the seat **4** face down on a flat protected surface.

Attach the bench rails **6** by inserting the dowels on the rails into the brackets on the seat as shown.

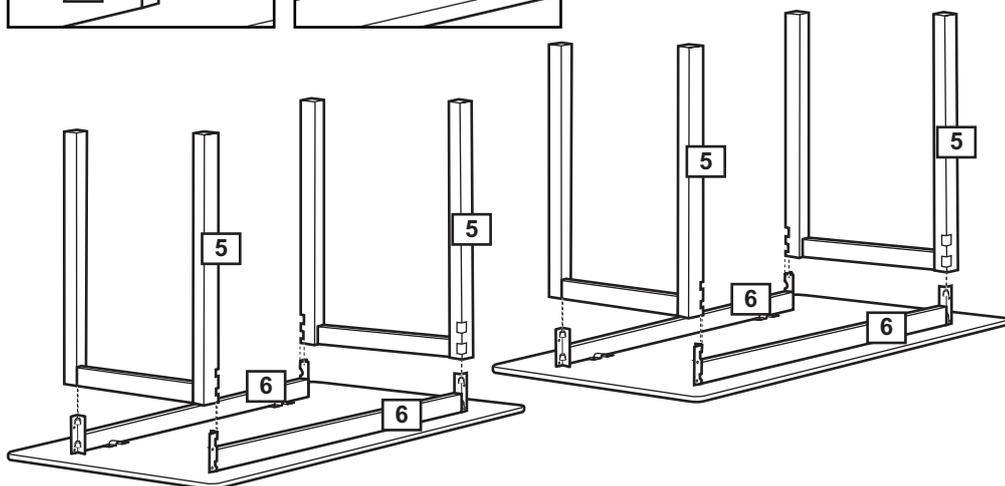

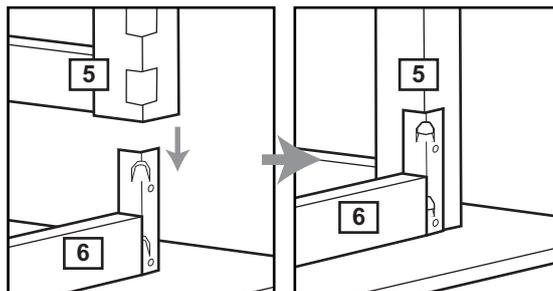

# Assembly Instructions

## Step 5

### Assembling the bench legs

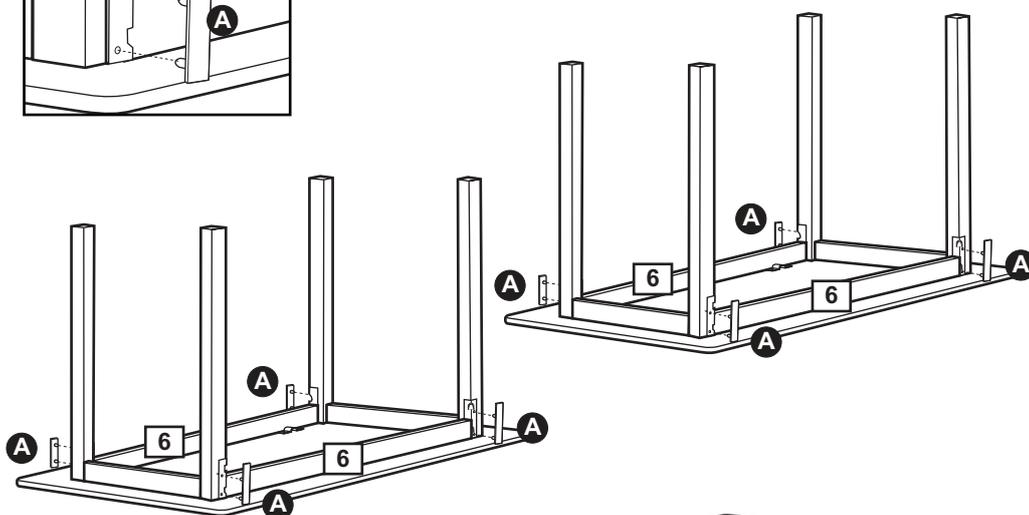

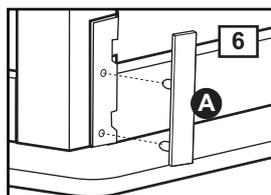

Position the bench legs **5** on the seat as shown and fix by inserting the fastener on the bench rails **6** into holes on the bench legs then push it down to lock.

## Step 6

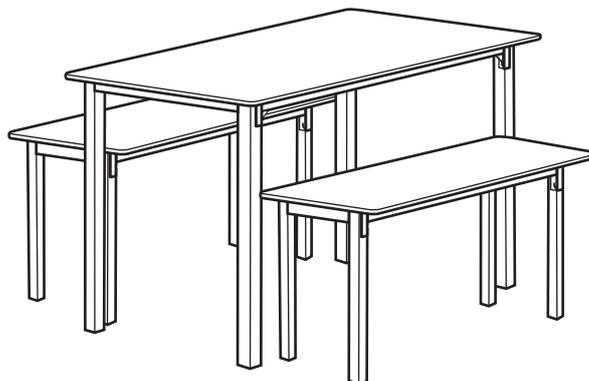

### Securing the bench legs

Attach caps into holes on the bench rails as shown. Insert and lock it carefully **A** into holes by pressing **3** firmly.

Then carefully turn the bench upright and place on a flat surface.

**Assembly is complete.**
