

Meet HERO. With a touchscreen and durable waterproof design, it's easy to get great shots of any adventure. Or use it to capture everyday things from creative new perspectives. Your moments transfer straight to the GoPro app and transform into amazing videos, automatically.¹ Wherever life takes you, capture and share your story with HERO.

What's Included

KEY FEATURES + BENEFITS

Two-Inch Touchscreen

Quickly switch between modes, frame the perfect shot and check out your footage on the two-inch touchscreen.

Waterproof + Durable

Built tough and waterproof down to 10 m, HERO goes where your smartphone can't to capture every adventure with no worries.

Voice Control

Control your HERO hands-free with simple voice commands like "GoPro, start recording" and "GoPro, take a photo".

Wi-Fi + Bluetooth

Connect to the GoPro app to control your camera remotely, check out your shots and share your favourites on the spot.

Auto-Offload to Your Phone

Your photos and videos transfer to the GoPro app automatically so you can share the moment, in the moment.²

QuikStories Enabled

HERO automatically sends your footage to the GoPro app where it transforms into a beautifully edited video with music and effects.¹

Automatic Cloud Backup

With a GoPro Plus subscription, you can automatically back up unlimited photos and up to 35 hours of video to the cloud.³

Full HD Video + High-Quality Photos

HERO captures stunning 1440p and 1080p video plus 10 MP photos of all your adventures.
