

Optical Combo

N1850

High resolution 1000 DPI sensor

Spill-resistant keyboard design

Easy installation

Optical Combo

N1850

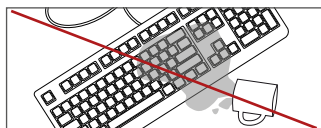

This combo, comprising a keyboard and optical mouse, covers all your basic office needs. With its smart design and choice of materials this keyboard is protected against splash damage, so you can enjoy a refreshing beverage relatively risk-free

while you work. The high-performance 1000 DPI optical sensor offers you smooth and accurate mouse-pointer control, while the symmetrical design allows for ambidextrous use.

► High resolution 1000 DPI sensor

Enjoy total control: The high-performance 1000 DPI optical sensor offers you smooth and accurate mouse-pointer control.

► Spill-resistant keyboard design

Drinks allowed on your desktop: The clever design and the choice of materials protect the keyboard against splash damage.

► Easy installation

Plug and play: No driver or setup needed. Just plug it in a USB port and you're good to go.
