Terms & Conditions

Activity Superstore issues face value vouchers ("Vouchers") entitling the holder to choose, up to the value stated on or in the Voucher, one of a range of activities, overnight breaks ("Experiences") or other products supplied by Activity Superstore and provided by selected experience providers. From 1 January 2019, the retailer from whom the experience voucher is purchased is acting as agent for and on behalf of The Activity Superstore Limited and your contract is with The Activity Superstore Limited who is the issuer of the experience voucher.

Voucher validity

Vouchers are valid until the expiry date shown on your Voucher. Please check the season of any intended Experience, as this may be shorter than the Voucher validity. You must validate, book and complete your Experience prior to the expiry date, please note booking lead times apply. The original retailer's gift or till receipt is required to validate your Voucher. If you are unable to use your Voucher within the validity period, the Voucher can be extended for a period of six months. A £20 administration fee is payable if you choose to extend your voucher. A Voucher can only be extended once and only after it has been validated, and must be done while the Voucher is valid. Validated and extended Vouchers cannot be refunded.

Choosing your Experience

This pack is for a Voucher that entitles the holder to any¹ of the Experiences supplied by Activity Superstore, up to the value stated, including the Experience/Experiences featured either on the outside of the pack, or in the literature accompanying your pack. Please note once a date has been booked with an Experience provider your Voucher is no longer available for an exchange, extension or refund and will be deemed to be used at that point.

Exchanging your Voucher

A Voucher can be exchanged only once for another Voucher(s), up to the face value stated on or in it and subject to certain restrictions¹, without incurring a fee. A difference will be payable if the chosen Experience costs more than the face value of your original Voucher and the value of your Voucher will be increased. If your chosen Experience is cheaper, we will hold the difference as a credit against another Experience. The credit cannot be used to pay for the cost of an extension or an exchange. All credits held will have the same expiry date as the original purchased Voucher. The exchanged Voucher will carry the same expiry date as the original purchased Voucher. If you wish to combine or merge more than one Voucher together, as part of the exchange process, then this can be arranged however subject to the following restrictions: You can merge no more than two Vouchers together; if the Vouchers have different expiry dates then the earlier expiry date is taken forward onto the replacement Voucher, not the later date; only Vouchers purchased from the same retail chain or website may be merged together; and you may not merge any Vouchers previously merged or exchanged.

Bookings

In order to enjoy your chosen Experience, you are asked to choose your preferred location then follow the booking instructions. The original retailer's gift or till receipt may be required to use your Voucher. You may be required to send your Voucher to the chosen provider to confirm your booking in advance: if so we recommend you keep a record of your Voucher number and use registered post, as your Voucher is a valuable document. You should also note that your Voucher must be presented on the day (unless already sent to the Experience provider), in order to participate in the Experience. If lost, a Voucher can only be replaced as long as it has been validated and has not been used for an experience already. You may also be required to pay a deposit to the provider to confirm your booking in advance. This deposit will be credited back upon completion of your Experience. Please note you may not be able to change your mind once a date has been booked with an Experience provider.

Cancelling or changing your Experience

If we cancel your Experience, we will tell you as soon as possible, and do our very best to offer an alternative date or location. If specific celebrities, vehicles or venues are featured but are not available on the day for reasons beyond our control, we will try to find the best possible replacement. If this is not possible, we reserve the right to cancel your Experience at short notice and re-book you. We reserve the right to reschedule the timings or location of any Experience owing to unavailability of the Experience, insufficient numbers making the Experience unavailable, and other factors beyond our control. We reserve the right to discontinue an Experience, venue, or individual supplier at our own discretion. We will endeavour to offer a suitable alternative Experience of the same value, however, if not we will refund your Voucher in full. If you decide to book a different Experience and the price of that Experience exceeds the face value of your Voucher, you will need to pay the difference. We also reserve the right to make minor changes to your Experience. Examples of minor changes include car specification or order of Experiences on a particular day. If you need to cancel or change your Experience booking you should contact us immediately. We will do our best to fill the allocated space, but if we are unable to do so, you may lose your booking. You will be advised by Activity Superstore if you can rebook through the cancellation cover. If you need to cancel your Experience because of accidental injury/illness to yourself, or a death in your immediate family you should contact Activity Superstore as it may be possible to re-arrange your Experience on presentation of a medical certificate.
