

## NAME A STAR

Reach for the stars with your touching gift from your loved one and name your own incandescent piece of the sky. Complete with fact sheets about the history of stars and astronomy, you'll enjoy hours of fun learning about the incredible galaxy out there.

Once you receive your tin, you can register your star via a simple online registration. Then, you will receive the deed certificate that makes everything official.

Your unique star will be kept on record at the British Library. Keep looking up into the night sky for the piece of magic that you will call your own.
