

Optical Combo

NX1720

High resolution 1000 DPI sensor

Full-size ambidextrous mouse design

Spill-resistant keyboard design

Easy installation

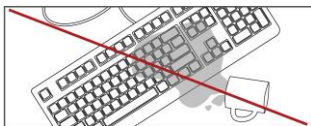

Optical Combo

NX1720

This combo, comprising a keyboard and optical mouse, covers all your essential office needs. With its classic ergonomic design and choice of materials this keyboard is protected against splash damage, so you can enjoy a refreshing beverage relatively

risk-free while you work. The high-performance 1000 DPI optical sensor offers you smooth and accurate mouse-pointer control, while the symmetrical design allows for ambidextrous use.

► Spill-resistant keyboard design

Drinks allowed on your desktop: The clever design and the choice of materials protect the keyboard against splash damage.

► Easy installation

Plug and play: No driver or setup needed. Just plug it in a USB port and you're good to go.

► High resolution 1000 DPI sensor

Enjoy total control: The high-performance 1000 DPI optical sensor offers you smooth and accurate mouse-pointer control.

► Ambidextrous design

One shape fits all: Thanks to its symmetric and ergonomic design this mouse is comfortable, reduces hand strain, and is great both for right-handed and left-handed use.
