## 1969 Camaro SS

---

Let rip in the 1969 Camaro SS, the very definition of all-American muscle car. After you've registered and received your welcome, you'll then be given a briefing from your professional racing instructor. Next, put your foot to the floor in the stunning Camaro SS for 3 laps of the track.

**Locations:** 9 Locations.

## Aston Martin Blast

---

The Aston V8 Vantage is sure to put a massive smile on your face as you roar around the track. After you've registered and received your welcome, you'll be given a briefing from your professional racing instructor. Then, try your hand at 3 fiery laps of the track.

**Locations:** 20 Locations.

## Audi R8 Blast

---

With a 4.2 litre V8 engine and a top speed of 187mph, the Audi R8 was built to take your breath away. Register before a briefing from your professional racing instructor then hop in the driver's seat for 3 laps of the track.

**Locations:** 17 Locations.

## Bentley GT Continental Blast

---

The Bentley Continental GT can accelerate from 0-60 in 4.7 seconds and speed up to 200mph. The 12 cylinder, twin turbo engine delivers a whopping 552bhp through all four wheels. Following your welcome and briefing, you'll drive 2 to 3 laps of the track.

**Locations:** 6 Locations.

## BMW i8 Blast

---

With a touch of typical BMW styling, this car sports a turbocharged engine featuring two electric motors creating 357bhp, allowing a blinding 0-60 time of 3.6 seconds and a top speed of 155mph. Following your registration and briefing from a professional driver, enjoy 3 laps in this stunning car.

**Locations:** 6 Locations.

## Caterham Blast

---

With its sensational power-to-weight ratio, this ultra-light road legal race-car provides nerve shattering performance and almost supernatural control-ability. After you have registered and been briefed by an expert, it's time to unleash your speed demon for 3 laps.

**Locations:** 6 Locations.

## British Superbike Race Day Ticket

---

Spend your day watching the leading road racing superbike championship unfold at a world renowned racing circuit. The BSB bikes average more than 180bhp and are capable of reaching an unimaginable 200mph. With an explosive atmosphere, you're in for a truly action packed day.

**Locations:** 4 Locations.

## Chevrolet Camaro ZL1 Blast

---

This Camaro reaches a blistering 184mph from the 6.2 litre V8 roaring under the bonnet, so a drive in the latest version of the classic American muscle car is sure to leave you in shock. After registration, you'll be briefed by your professional racing instructor then hit the tarmac for 3 laps.

**Locations:** 8 Locations.

## Corvette Blast

---

This iconic American classic boasts a 600+bhp, a huge V8 engine, amazing noise and original race car handling. You will have the time of your life driving this classic! Get behind the wheel of the stunning Corvette for 3 laps of the track once you've completed your briefing.

**Locations:** 9 Locations.

## F1 Grand Prix Simulator

---

Take on the world's greatest Grand Prix circuits from the comfort of a race pod. Choose your race circuit and car, then prepare for full practice and qualifying sessions to determine who gets pole position. Then experience full-on racing sessions with a number of races to determine the ultimate winner!

**Locations:** 2 Locations.

## DTV Shredder Discovery

---

Get your adrenaline pumping with the mighty DTV (Dual Tracked Vehicle), also known as the Shredder. Similar to the motion of a jet ski, you swing to the left or right to control the machine. When it comes to difficult terrain, these treads will chew on anything; snow, ice, sand or mud.

**Locations:** 5 Locations.

## Ferrari Blast

---

Get behind the wheel of one of the most famous sports cars in the world. Settle into the driver's seat, spot the engine in the rear view mirror and hear the roar from the Italian V8. Register and receive some expert advice before 3 buzzing laps of the track.

**Locations:** 13 Locations.

## Ford GT40 Blast

---

Ford's GT40 is surely one of the most famous and iconic racing cars of all time, winning the Le Mans 24 hour race four times in a row! The car is only 40" in height and is powered by a 500+bhp engine. After a briefing and some driving tips, it's time to glide for 3 laps.

**Locations:** 7 Locations.

## Ford Mustang GT Blast

---

This true modern muscle car with its 5-litre V8 roaring engine under the hood presents quite a challenge for its European contenders. Your professional racing instructor will provide you with a briefing before you take the wheel for 3 laps of extreme adrenaline.

**Locations:** 14 Locations.

## Hot Lap Ride

---

If you're used to being in the driving seat, riding shotgun while a professional takes the wheel might take you by surprise. With a skilled driver using their expertise to achieve amazing speeds, you're guaranteed a white knuckle ride and a real adrenaline rush.

**Locations:** 14 Locations.

## Indoor Karting

---

Whether you are refining your driving skills or seeking some fun, this session is great for experienced and novice drivers alike. All drivers are provided with a full briefing, a 15 minute practice session, a short break, before a 15 minute timed session.

**Locations:** 20 Locations.

## Lamborghini Blast

---

Slide behind the wheel of a stunning Lamborghini supercar and experience first-hand the raw beauty of one of the most exclusive Italian supercars on the market. Feel the exquisite comfort of the soft leather seats as you grip the wheel and take control of this magnificent machine for 3 laps.

**Locations:** 9 Locations.

## Mini Tank Paintball Battle

---

Battle head to head with your opponents and tackle tricky obstacle courses. Your experience will begin with a briefing and introduction to the tank and a test drive in an open field. Take on assault courses and target shooting with a timed trial session and a head to head battle to finish.

**Location:** Shropshire (Shrewsbury).

## Monster Truck and 4x4 Off Road Passenger Ride

---

Feel the sheer power of this 6 litre American Monster, huge wheels crush and destroy everything in it's path as you sit 11ft in the air during this exciting 10 minute ride. Next up an exhilarating trip in a rugged 4x4, the course is full of twists and turns. You will wind your way through the venue which has been designed specifically for 4x4 off-roading in this 10 minute ride.

**Location:** Shropshire (Telford).

## Mustang GT350 Blast

---

Probably the most iconic American muscle car of all time, the imported Ford Mustang is known worldwide for its V8 engine, race car suspension and uprated brakes. Experience 3 legendary laps following your warm welcome, briefing and registration.

**Locations:** 9 Locations.

## Nissan GT-R Blast

---

Experience just under 500bhp and more computing power than a NASA Apollo rocket! After you've registered and received your welcome, you'll then be given a briefing from your professional racing instructor. Next, grab the keys for your turn to hit the track for 3 laps.

**Locations:** 9 Locations.

## Nissan Skyline Blast

---

Just like Brian's from the Fast and Furious films, the Skyline's twin turbos and active four wheel drive handling provide a totally unique driving experience. Once you've registered and received your introduction, an instructor will welcome you behind the wheel for 3 laps.

**Locations:** 12 Locations.

## Porsche 911 Blast

---

Sleek lines, incredible acceleration and handling together with the unforgettable sound of the wailing, rear mounted flat-six engine delivers awesome power in a truly unique manner. Receive your registration and welcome before a briefing from your instructor, then get behind the wheel for up to 3 laps on the track.

**Locations:** 7 Locations.

## Radical Race Car Passenger Ride

---

Hop in the passenger seat of an SR3 Supersport driven by an expert race instructor and fasten your seat belt. Equipped with the latest sequential race gearbox and boasting almost 300bhp, you're in for 1 lap of unforgettable power.

**Locations:** 6 Locations.

## Rally Driving Blast

---

This is your chance to learn new driving skills under the guidance of an experienced rally instructor. Learn skid and brake control, plus understeer and oversteer techniques. Blast 3 laps of the track and take home a certificate as a memento of your day.

**Locations:** 3 Locations.

## Rally Sprint

---

As one of the toughest forms of racing, rally driving makes use of a range of skills, techniques and tricks to get the best out of the car. Your instructor will demonstrate breathtaking manoeuvres, before you master a skid, use your brakes to astonishing effect and discover the secrets of steering.

**Location:** Leicestershire (Loughborough).

## Single Seater Blast

---

Watching Formula 1 will never be the same again after you've experienced the thrill of driving a single seater. Once safely seated, you'll be encouraged to go full-throttle and feel the aerodynamic force of this 192bhp machine as you put your driving skills to the test for 2 to 3 laps.

**Location:** Leicestershire (Loughborough).

## Supercar Passenger Ride

---

Choose between the Aston Martin, Ferrari or Porsche and sample the sheer power of supercars. Following your safety briefing and welcome, maintain your nerve as your professional instructor takes you round the track, pushing the engine to its limits for an exhilarating lap.

**Locations:** 8 Locations.

## Supercar Sprint

Choose between three of the most iconic cars in manufacturing history; the Aston Martin, the Ferrari or the Porsche. An expert will be on hand to talk you through the controls and help you maximise your performance. Prepare yourself as the speedometer needle rises and revel in 1 unforgettable lap.

**Locations:** 11 Locations.

## Toyota Supra Blast

With a turbocharged engine and well set-up chassis, this Japanese supercar gives you the chance to drive a classic and experience the 400+bhp boost. Let loose on the track and enjoy 3 powerful laps once you've received a welcome and briefing from an expert.

**Locations:** 9 Locations.
