

Installing the light

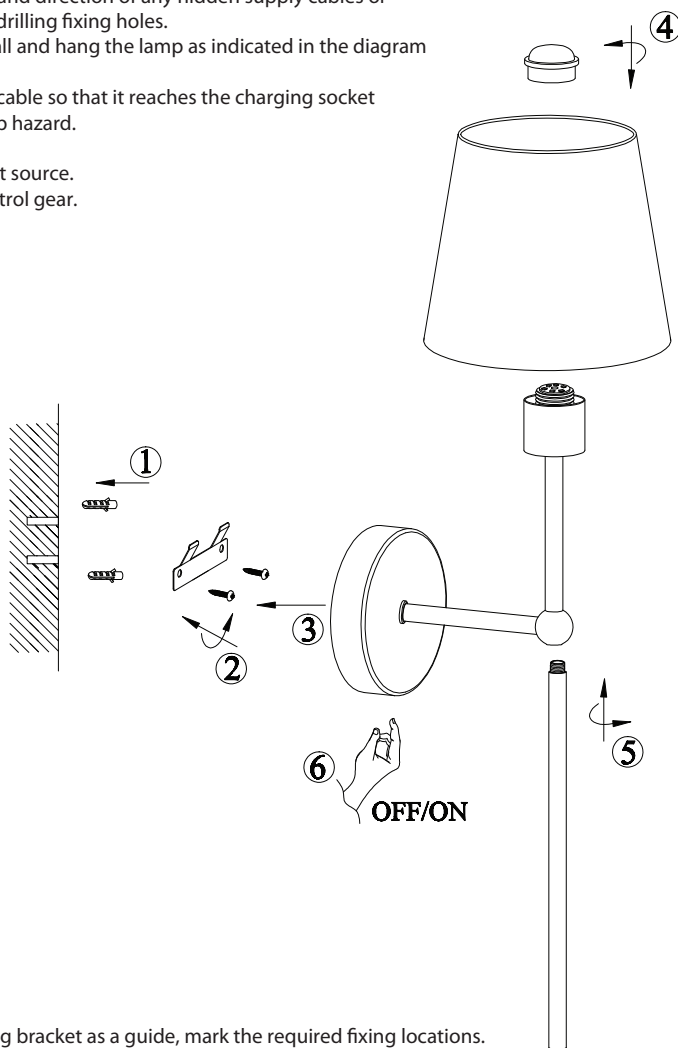

Identify the location and direction of any hidden supply cables or service pipes before drilling fixing holes.

Securely fix to the wall and hang the lamp as indicated in the diagram

Locate the electrical cable so that it reaches the charging socket without causing a trip hazard.

Non-replaceable light source.

Non-replaceable control gear.

1. Using the mounting bracket as a guide, mark the required fixing locations.
2. Drill holes in the desired location.
3. Affix wall plugs.
4. Carefully screw the bracket to the wall.
5. Screw the LED cover and shade onto the fitting.
6. Screw the lower stem onto the main body.
7. Hang the light fitting onto the mounting bracket.

Please take time to read this leaflet carefully and retain it for future reference.

Charging Instructions

Lift the light fitting off it's mounting bracket.

Insert the USB power cable (Supplied) into the charging socket on the backplate. When the charger cable is connected to power & plugged into the light, a Blue light around the switch indicates the lamp is charging. When there is no Blue light, the battery is fully charged.

When charging the lamp, the lamp can be used.

Charge time: 6 Hours to full charge

Operational time: 13 Hours at 100% light, 17 Hours at Low light.

Only use the power lead supplied with this product.

Do not use cable extensions or splitters as this may affect the operation of the lamp.

Please ensure the power lead is used in a 5V outlet.

Caution:

The fitting should be cleaned with a soft, dry cloth only. Do not use polishes or abrasive cloths.

The LED's are non-replaceable.

Avoid fitting in high-traffic zones like hallways or doorways where people or pets might accidentally bump into it.

Operation Instructions

1st short press turns light on full

2nd short press turns to medium light

3rd short press turns light off

When the light is switched on, if you long-press the touch switch the light will dim and by releasing the switch you can choose your desired level of brightness.

This product should be disposed of responsibly at the end of its life. Please recycle where facilities exist. Check with your Local Authority or retailer for recycling advice (Waste Electrical and Electronic Equipment Directive)
