

Charging Instructions

Insert the Type C USB power cable (Supplied) into the socket shown above.

When charging the lamp, the Charging indicator light shows Red.

When fully charged, the Charging indicator light shows Green.

Charging time is 4 -6 hours, the operation time is 6hrs (Full) / 8hrs (Low) when fully charged.

Only use the power lead supplied with this product.

Please ensure the power lead is used on a 5V outlet.

DO NOT connect the metal sections of the adapter to other metals as this could damage your product.

When charging the lamp, the lamp can be used.

Caution:

Locate the electrical cable so that it reaches the charging socket without causing a trip hazard.

The fitting should be cleaned with a soft, dry cloth only. Do not use polishes or abrasive cloths.

The LED's are non-replaceable.

This product should be disposed of responsibly at the end of its life. Please recycle where facilities exist. Check with your Local Authority or retailer for recycling advice (Waste Electrical and Electronic Equipment Directive)
