- This warranty is void if service on the unit is performed by any person other than an approved technician, or if the appliance is used for commercial purposes.
- This warranty does not cover:
 1. periodic maintenance and repair or parts replacement due to wear and tear.
 2. consumables (components that are expected to require periodic replacement during the lifetime of a product such as non-rechargeable batteries, bulbs, etc.)
 3. damage or changes to the product as a result of : Accidents, fire, liquids, chemicals, other substances, flooding, vibrations, excessive heat, improper ventilation, power surges, excess or incorrect supply or input voltage, radiation, electrostatic discharges including lighting, other external forces and impacts.
- This warranty is available only to the original purchaser and is not transferable.
- Your legal consumer rights reserved and are not affected.
- Consumers have legal (statutory) rights under applicable national laws relating to the sale of consumer products. This warranty does not affect statutory rights you may have nor those rights that cannot be excluded or limited, nor rights against the person from whom you purchased the product. You may assert any rights you have.
- If service is required, **DO NOT ATTEMPT TO REPAIR UNIT YOURSELF**. Please return unit to the store you purchased it from. Service support is provided by the store. Proof of purchase will be required for any warranty claims. You must retain your original receipt. If service under warranty is required, you will be required to produce this. Please also retain the original packaging should the unit need to be returned. This warranty does not cover transport costs and risks associated with transport of your product to and from the store.
- Please note: As part of our policy of continuous product improvement, Clarity Vision Group Ltd. reserves the right to amend specifications without notice.

Operation

- Connect the mains AC adaptor to a wall socket, but do not switch on yet.

- Insert the other end of the AC adaptor into the DC power input socket on the 4L MNBX4 or 6L MNBX6 compact fridge models.
- Switch the mains socket on.

This mains adaptor is compatible only with the 4L MNBX4 and 6L MNBX6 compact fridge models.

Care and maintenance

- All care and cleaning operations should be carried out with the adaptor unplugged from the mains.
- Occasionally wipe the case with a lint free duster. Never clean the unit with liquids or solvents.

Technical specification

Specification	Rating
Model	THX-012400KBB
