Allergy Advice: For allergens, including cereals containing gluten, see ingredients in **bold**. Seasoning rub mixes may contain celery, cereals containing gluten, egg, milk, mustard and soya. Chilli sauces may contain soya and mustard. Marinades may also contain mustard.

Serving Suggestion: Try these chilli sauces with steak, chicken, pork ribs and other cooked meats. They also make great dipping sauces for chips, crisps and tortilla chips. Use the seasoning rubs to prepare steak, chicken and pork ribs before cooking. For marinades, let the meat of your choice absorb the flavour and heat of the marinade for at least 15 minutes prior to cooking. For best results, marinade overnight in the fridge. Do not pour used marinade back into bottle.

Storage: Store in a cool dry place. Once sauces and marinades are opened, refrigerate and use within 4 weeks and by best before date shown.

Best before end: (Packing house to label base)

Please retain this information for future reference.

Produced in China with chilli sauces and marinades from the USA.
