INSET ELECTRIC FIRE

HLM20CH

Helmsdale Chrome

The Helmsdale Optiflame electric inset fire combines classic design, great effects and a powerful 2kW fan heater along with a remote control enabling easy usability. It features the unique Optiflame effect which can be used with or without heat and instantly adds an inviting, warming glow to any room.

A stylish chrome effect finish with the latest electric flame technology from Dimplex. Multi-coloured Optiflame effect with adjustable downlight and a choice of fuel bed to create your own design and enhance your decor. Designed to fit existing fireplaces, easy to use and impressive to view; the Helmsdale's warm glow makes it the perfect choice to create a cosy and warm atmosphere.
