In this document

'we' are: the Epson company providing the Service;

'you' are: the customer having purchased simultaneously the Device and the Card;

'Card': is the media to purchase in store or online the Service;

'Device': means the EPSON EcoTank purchased by you;

'Term': In order to benefit from the Service, your registration onto the Unlimited printing website must take place within 14 calendar days of the proven purchase date of the Card and the Device. The Service starts when Epson confirms, by E-mail, your registration onto the Unlimited printing website and ends 24 months after the purchase date of the Card and the Device.

In order to benefit from the Service, your registration onto the Unlimited printing website must take place within 14 calendar days of the proven purchase date of the Device and the Card. The Service starts when Epson confirms, by E-mail, your registration onto the Unlimited printing website.

The Service allows you to print without page limitations and includes the supply upon request of free of charge consumables (ink bottles) when the ones currently in use in your Device are about to run out. The request can be made either by email unlimited@epson.co.uk or by phone 0203 808 9153. The consumables will be sent to the address you have indicated for your subscription which will also be reported in your Service dedicated web page. The consumables provided may be used by you only in the Device(s) for which they are provided.

We will arrange for the Device for warranty support during the Term of this agreement according to the Coverplus+ Service described in www.epson.eu/support. This Coverplus+ Service does not include repair of the Device if it is lost, stolen, destroyed or damaged beyond repair.

If in our reasonable opinion, you are abusing the Device or the Service in any way, such as excessive supply of consumables, we may ask you to provide us with the Device's status sheet where the effective usage of the ink is reported and ask you to moderate your behaviour. In extreme cases, we may terminate this agreement before expiry of the Term by sending you an E-mail notification at the agreed E-mail address.

Some jurisdictions do not allow the exclusion or limitations of warranties, so the above limitations or disclaimers may not apply to you in their entirety, but will apply to the maximum extent permitted by applicable law.
