

**Everything you need for up to
3 years of printing in one box***

HL-1212WW All in Box

PRINT

WIRELESS

Brother.co.uk/hl-1212w-all-in-box

Perfect for you

Everything you need for up to 3 years of printing* in one box

Where cost and time are at a premium, it's important to not let printing get in the way. With the HL-1212W, part of Brother's All in Box offer, you make one purchase and can forget about printing costs for up to 3 years.

1
PRINTER

UP TO 3
YEARS WORTH
OF TONER*

3
YEAR WARRANTY

You get:

- A high-quality printer
- Up to 3 years' worth of toner in-box*
- A 3 year warranty

*All in box provides HL-1212W All in Box laser printer and 5 Brother toner cartridges, this does not include paper. Three years' worth of toner calculation for print yield is based on average monthly print volumes of approximately 138 pages in accordance with ISO/IEC 19752 using the 5 toners provided in-box. The Brother All in Box is for small/home office application only, using this for intensive business purposes will increase usage of toner cartridges and subsequently decrease the standard specified duration of three years. If any supplies other than Brother manufactured toner cartridges (as provided in the all-in box solution) are used in the machine this could invalidate both manufacturer and extended warranty.

Save time and money

High yield ink cartridges

With the HL-1212W you get in-box toners that print up to 5,000 pages – enough to last for up to 3 years of ownership*. You can rely on this mono laser printer to do its job while you concentrate on yours.

Connect from anywhere

If you require a printer that allows multiple users to connect, quickly and easily, from a variety of different devices, look no further. The HL-1212W offers a built in wireless network and mobile compatibility, so mobile printing could not be easier.

Smart, yet straightforward

Despite being a true all-rounder, the HL-1212W is designed with the user in mind. With a simple setup process and user-friendly you'll be up and printing in no time, with minimal time lost.
