Card payments: To pay for your plan directly with a credit or debit card you need to set up a services-on-demand arrangement and a payment, which will reoccur automatically every 30 days, a continuous payment authority. This means you authorise us to take payment from the registered debit or credit card every time you pay for an eligible plan or add-on. You can cancel this at any time in My EE or by calling 150. If you cancel within 14 days of your first purchase via your card, you'll get a refund for any unused services. You will have to pay for any services used during your cooling off period if you cancel. We will stop your continuous payment authority if you don't make a call, text or use any data for 90 days.
