

FORTNITE

Building Tips & Tricks

- 1** Lay pieces on a flat surface and align them for connection.

- 2** Place the pieces so that one peg sits inside the corresponding socket. The other side will be slightly raised.

- 3** Place your thumb on the raised side of the tab and firmly apply pressure to snap into place.

FORTNITE

Building Tips & Tricks

- 4** Repeat steps 1- 3 to create different configurations.

- 5** Hinge at connection points to create 3D structures.

TIP: Always keep at least one side open on all 3D structures to ensure pieces can be removed.

- 6** To disassemble, hold pieces and twist gently to release. To prevent broken nails or minor injury do not use fingernails to pull pieces apart.
