The background of the image is a vibrant coastal scene. The sky is a clear, bright blue with wispy white clouds. The ocean is a deep, rich blue in the distance, transitioning to a brilliant turquoise color in the foreground. On the left, dark, jagged rock formations jutting into the water are partially covered in green moss or algae. On the right, a grassy cliffside with patches of green vegetation meets the sea, with white foam from breaking waves visible at its base. In the center of the image, a large, solid white rectangular box contains the text.
