The background of the image is a vibrant coastal scene. In the foreground, the ocean is a deep, clear turquoise color with gentle ripples. To the left, dark, jagged rock formations jett out into the water, with white foam from breaking waves visible at their base. To the right, a steep, grassy cliffside descends to the water's edge, where more white foam is seen crashing against the rocks. The sky above is a bright, clear blue, filled with soft, wispy white clouds. In the center of the image, a large, solid white rectangular box is superimposed, containing the text in a bold, dark brown font.
