# Safety and Care Advice

**Important** – Please read these instructions fully before starting assembly

**Note:** There are 'Batch Code' labels where shown on the indicated items, these should be retained.

## General care and maintenance

- This chair can be used outside all year around but should be covered or moved to a sheltered area during the winter months to protect its good looks
- If covering please ensure that chair is fully dry first, and that cover is ventilated
- Do not leave this chair standing in water

## Cleaning and care

- Dust regularly with a clean dry cloth
- Wipe up any spills immediately with a damp cloth and then dry the surface with a clean dry duster
- Repeat this procedure for periodic cleaning
- Remove stubborn stains with a weak washing up liquid solution and a damp cloth and dry after with a clean cloth
- The use of furniture polish or spray is not necessary or recommended
- Never use abrasive or corrosive cleaning agents
- If paint finish becomes chipped or damaged treat exposed area with rust inhibitor immediately and then touch up with a suitably colour matching paint for use on metalwork

**Maximum recommended loading.  
Do not stand on the chair!**
