SCUBA DIVING EXPERIENCE FOR TWO

BARKING & DAGENHAM • LONDON

The underwater world is a mystery to most of us, but this experience gives you the key to unlock its beauty. Scuba stands for “self-contained underwater breathing apparatus” and that is what enables divers to explore the very depths of the oceans; this pool-based introduction will set you on the path to discovering the secrets beneath the seas too. You'll receive a welcome and introduction from a fully qualified PADI instructor before a more in-depth tuition session on underwater communication, safety, and the basics of scuba. You'll be amazed at the weightlessness and freedom that you will both feel in the water!

A yellow sports car, possibly a Lotus Evija, is shown from the side. The car has 'BR5' written in black on its side. It features a black side mirror, a black door handle, and a black wheel with a yellow center cap. The car is parked on a paved surface. In the background, there is a dark, out-of-focus area with some greenery and a metal fence. A large, solid orange square is overlaid on the right side of the image, containing the word 'NORTH' in white, bold, sans-serif capital letters.
