A scenic coastal landscape featuring a white text box in the center. The background shows a vibrant turquoise ocean with white foam from breaking waves. To the left, dark, jagged rock formations jutting into the sea are partially covered in green moss or algae. To the right, a steep, grassy cliffside meets the water's edge, with waves crashing at its base. The sky above is a clear, bright blue with wispy white clouds. The text is centered within the white box in a bold, dark brown, sans-serif font.
