Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on pages 2 and 3.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- Do not stand on the panels, this could cause damage.
- Assemble the unit as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- We do not recommend the use of power drill/ drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.
- **Warning:** The unit weighs approximately 4.8kgs. **Please lift with care.**

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- Assembly to be carried out by the competent adult only.
- From time to time check that there are no loose screws on this unit.
- During assembly children should be kept away from the product due to the potential risk of injury.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
- Do not use this item if any components are missing or damaged.
