Clement Black

Experience Better Living

Optiflame technology
A vibrant and realistic flame effect that adds depth and comfort to any space.

2kW heat output
Offering up to 2kW of heat via a fan heater.

LED lighting
Flames and lamps use energy-efficient LED lighting that requires no maintenance and can be used on flame effect only.

Fuel bed
Dancing flames rising over the realistic glowing log effect fuel bed.

Manual control
Can be operated via the button display on the unit.

Thermostat
Maintains the desired room temperature by automatically switching on and off.

Flame effect only
Enjoy the ambience of the flickering flame effect any time without the heat.

Classic style meets everyday simplicity with the Clement inset electric fire designed to bring instant warmth and ambience to any room. Available in three elegant finishes, the Clement complements both traditional and contemporary interiors with ease, making it a versatile choice for your home. Enjoy the charm of a realistic flame effect with Optiflame technology, creating a cosy focal point that can be used with or without heat for year-round ambience.

When the temperature drops, a powerful 2kW heat output and two heat settings allow you to quickly and easily warm your space. Manual controls are conveniently located on the top of the unit, offering straightforward operation whenever you need it. Simple to install and effortless to use, the Clement is a timeless heating solution that delivers comfort, style and atmosphere in one compact design.

Optiflame technology - enjoy the warm, mesmerising glow of Dimplex's trusted Optiflame effect delivering realistic, flickering flames that bring instant ambience to any space.

Flexible warmth - powerful 2kW heat output with dual heat settings delivers instant comfort, while the flame effect can be enjoyed on its own to create ambience in any season.

Flexible installation - fitted with a spacer kit for added versatility, install as a freestanding fire, or remove the spacer to seamlessly inset the fire into an existing fireplace opening.

Choice of finishes - available in three elegant colours - black, brass and chrome, the Clement complements both classic and contemporary interiors with style and versatility.

Year-round ambience - the Clement combines timeless style with practical comfort, letting you enjoy its realistic flame effect with or without heat, for cosy ambience all year round.

Safe & low-maintenance - designed to be hassle-free and safe, the Clement delivers cosy warmth and realistic flames without the need for constant attention, making it perfect for family homes.
