Safety information

Important - Please read these instructions fully before installing or operating.

Warranty and Limited Liability

In this document, with regard to the use of the name "Alba", Alba is a brand owned by Argos Ltd, 489 – 499 Avebury Boulevard, Milton Keynes, MK9 2NW.

This product is sold with a limited warranty and specific remedies are available to the original purchaser in the event the product fails to conform to the limited warranty. Manufacturer's liability may be further limited in accordance with its sales contract.

Nothing in this document affects the consumers statutory rights under UK law, in particular Sale of Goods Act 1979 (as Amended), Consumer Rights Act 2015 and Consumer Contract (Information, Cancellation and Additional Charges) Regulations 2013.

In general, and in a non-limited manner, the manufacturer shall not be responsible for product damages caused by natural disasters, fire, static discharge, misuse, abuse, neglect, improper handling or installation, unauthorized repair, alteration or accident. In no event shall the manufacturer be liable for loss of data stored on disk media unless the cause is proven to be a defective product or a defect in any digital content supplied with the unit.

Need technical support? Call our experts on 0345 604 0105 or go online at www.argos-support.co.uk

Safety information

Important - Please read these instructions fully before installing or operating.

Please see Argos.co.uk for a complete statement of warranty rights, remedies and limitation of liability.

Furthermore, the warranty as far as is permitted by law does not apply to:

1. Damages or problems resulting from misuse, abuse, accident, alteration or incorrect electrical current or voltage.
2. The product must be correctly installed and operated in accordance with the instructions contained in the manual.

The end user is required to use this product only in conformity with its original purpose and is strictly forbidden to make any technical modifications that could potentially impinge on the rights of third parties. Any modification to the hardware, software, or physical enclosure of the product must be approved in writing by Alba. Non approved modified products are subject to the withdrawal of any or all guarantee clauses.

Safety information

Important - Please read these instructions fully before installing or operating.

In the event that you wish to return your device to store for whatever reason within 12 months of purchase, please call 0345 604 0105 and speak to one of our technical experts first., you can return it along with all accessories to your place of purchase along with proof of purchase for either a free repair, replacement or refund to be determined by Alba on receipt of your faulty device.

This Guarantee is provided by Argos Ltd, 489 – 499 Avebury Boulevard MK9 2NW, and does not affect your consumer rights.

Lithium-ion Battery Caution

This product is equipped with a Lithium-Ion battery. Do not pierce, open, disassemble it, or use it in a humid and/or corrosive environment. Do not put, store or leave your product in or near sources of heat, in direct strong sunlight, in a high temperature location, in a pressurized container or in a microwave oven. Do not expose it to temperatures over 60 C (140 F). If the battery leaks and you come into contact with the leaked fluids, rinse thoroughly with water and seek medical attention immediately. Failure to follow these instructions could cause the Lithium-Ion battery to leak acid, become hot, explode or ignite and cause injury and/or damage.

Need technical support? Call our experts on 0345 604 0105 or go online at www.argos-support.co.uk

Safety information

Important - Please read these instructions fully before installing or operating.

Optimising battery performance

Do not leave your battery charging for more than one day or on overnight. Doing so runs the risk of overcharging the battery and shortening its total life span.

If the device is not used for an extended period of time, the battery will slowly discharge and the device will need to be recharged before using again.

Unplug the charger from the wall when it is not being used.

Use only an Alba approved battery in the device.

Warnings and Safety Instructions

CAUTION

To prevent risks of electric shock, this unit must only be opened by qualified service personnel. Power off and disconnect the power supply cable before opening the unit.

WARNING

To prevent fire or shock hazard, do not expose the unit to rain or moisture.

Use of this product is for personal use only. Loading music, video, or picture files for sale or other business purposes is or may be a violation of copyright law.

9

Safety information

Important - Please read these instructions fully before installing or operating.

Copyrighted materials, works of art, and/or presentations may require authorization to be fully or partially recorded. Please be aware of all such applicable laws concerning the recording and use of such for your country and jurisdiction.

Need technical support? Call our experts on 0345 604 0105 or go online at www.argos-support.co.uk

Safety information

Important - Please read these instructions fully before installing or operating.

Never put your Alba device inside of, or on top of, a heating device such as microwave oven, toaster oven, or heater, or radiator. When batteries heat up, there is a risk of explosion. Be careful to never crush or perforate the battery. Avoid exposing the battery to high external pressure which could provoke an internal short-circuit and overheating.

Use only accessories that are Alba branded or recommended by Alba. The use of incompatible accessories with the Alba device can cause injury. Handle your Alba product with care. Keep your product away from any sources of humidity. This can seriously damage the device. Do not manipulate your Alba device with wet hands. Any damage done to the device due to its contact with water voids your guaranty. Do not use or store your product in an area that is dusty or dirty. This can deteriorate the components in your device. Your Alba device is a complex electronic product. Keep it protected from falls and physical shock. Do not subject it to violent movements.

Do not remove protective screen cover. Do not paint your product or use tape. Doing so could make movable parts unusable and reduce or limit its functionality. Only Alba certified technicians are qualified to repair your Alba device. In calling upon non qualified persons to repair your Alba product, you run the risk of damaging your device and voiding your guarantee, this does not affect your consumer rights.

Safety information

ALBA

11

Safety information

Important - Please read these instructions fully before installing or operating.

Avoid interference with other electronic products

Your Alba device radiates radio frequency (RF) signals that could interfere with the functioning of other electronic devices that are insufficiently or incorrectly protected from RF energy, such as pacemakers, hearing aids, medical devices, or any other electronic device found in your home or car. Contact the maker of the maker of the equipment to resolve any possible interference problems.

Other Security Instructions

Always manipulate your Alba device with care. Keep it in a clean environment away from dust. Do not expose the device to extreme temperatures. Do not drop or throw the device. Do not allow the device to come in close contact to a flame.

CHILD PROTECTION:

This device is not a toy. Keep the device away from babies and infants, young children should only use the item under adult supervision. Unsupervised play can lead to injury . The mains adapter should be connected to the power supply close to the equipment and be easily accessible. To isolate the unit from power switch off power to the mains adapter and disconnect it from the power supply before disconnecting the USB lead from the product.

Need technical support? Call our experts on 0345 604 0105 or go online at www.argos-support.co.uk

Safety information

Important - Please read these instructions fully before installing or operating.

Electrostatic Discharge (ESD)

Normal functioning of the product may be disturbed by ESD. If so, simply reset the product to resume normal operation by following the instruction manual. During file transmission, please handle with care and operate in a static-free environment.

Avoiding Hearing Damage

EN50332 acoustic pressure sign

To prevent possible hearing damage, do not listen at high volume levels for long periods.

END USER LICENSE AGREEMENT for Alba SOFTWARE

PLEASE CAREFULLY READ THE BELOW TERMS AND CONDITIONS OF THE END USER LICENSE AGREEMENT (EULA) BEFORE USING YOUR Alba PRODUCT. THE "Alba SOFTWARE" (all software distributed within the Alba hardware product) ON THIS DEVICE IS LICENSED TO YOU, YOU DO NOT OWN IT. BY USING THE SOFTWARE ON THE DEVICE, YOU ARE THUS GIVING YOUR CONSENT TO BE BOUND BY THIS AGREEMENT. IF YOU DO NOT AGREE WITH ANY PART OF THIS EULA, Alba WILL NOT LICENSE THE SOFTWARE TO YOU. IN SUCH A CASE, PROMPTLY SEE YOUR VENDOR OR CONTACT Alba DIRECTLY in order to FIND an adequate solution to this disagreement. On first use you may be required to accept license agreements, terms and conditions for third party software supplied with the device additional to the terms set out here.

Need technical support? Call our experts on 0345 604 0105 or go online at www.argos-support.co.uk

Safety information

Important - Please read these instructions fully before installing or operating.

1. **GRANT OF LICENSE** – Subject to the terms and conditions of this license, Alba grants you the nonexclusive right to use the software within the Alba hardware product. The Alba SOFTWARE can only be used on the Alba manufactured product that it is delivered with.
2. **TITLE** – You have no title, ownership rights, rights to trade secrets, or intellectual rights to the Alba SOFTWARE.
3. **LIMITATIONS** - You may not alter, decrypt, disassemble, decompile, or reverse engineer in part or in whole the Alba SOFTWARE except as permitted by mandatory applicable law.
4. **COPYRIGHT / INTELLECTUAL RIGHTS** – The Alba SOFTWARE is protected by the laws of England and Wales, United States and other applicable International Copyright and intellectual property laws and treaties.
5. **NO WARRANTY / LIMITED LIABILITY**
 - A. Alba SOFTWARE is licensed to you.
 - B. Alba makes not guarantees either expressed or implied as to the correctness, accuracy, reliability, fitness of use for a particular purpose or otherwise of its SOFTWARE. This does not affect your consumer rights set out in the Consumer Rights Act 2015

Safety information

Important - Please read these instructions fully before installing or operating.

6. **LICENSED COMPONENTS** – Within the Alba SOFTWARE are components licensed to Alba and/or its partners and/or suppliers and such licensors reserve rights that may not be expressed herein. Alba's licensor(s) makes no warranties, express or implied, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose, regarding the licensed materials. Alba's licensor(s) does not warrant, guarantee or make any representations regarding the use or the results of the use of the licensed materials in terms of its correctness, accuracy, reliability, or otherwise. You assume the entire risk as to the results and performance of the licensed materials. Where the exclusion of implied warranties is not permitted by some jurisdictions, this exclusion may not apply to you.

In no event will Alba's licensor(s), and their directors, officers, employees or agents (collectively Alba's licensor) be liable to you for any consequential, incidental or indirect damages (including damages for loss of business profits, business interruption, loss of business information, and the like) arising out of the use of inability to use the licensed materials even if Alba's licensor has been advised of the possibility of such damages. Where some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitations may not apply to you.

Need technical support? Call our experts on 0345 604 0105 or go online at www.argos-support.co.uk

Safety information

Important - Please read these instructions fully before installing or operating.

7. **ILLEGAL USE** – You cannot use the Alba SOFTWARE to engage in illegal activities including the reproduction, storage and/or distribution of copyrighted materials that you do not have the express written consent to.

8. **TRANSFER** – You can permanently transfer your rights to the Alba SOFTWARE through the transfer or the sale of your Alba hardware product to a second party. You must not retain any copy of the software, upgrades, versions, or documentation, and the party to whom you transfer the agreement must make written notice that he accepts the conditions of this EULA.

9. **TERMINATION** – You may terminate this agreement at any time, at which point you cannot use the Alba SOFTWARE. To do so, you must destroy all originals and copies of the Alba Software and all documentation. You can write to Alba for instructions on having the software removed from your device. This license will terminate automatically (without notice from Alba) if any part of this license agreement is violated.

10. **DECOMPOSITION** – If any part or condition of this agreement is held by governing law to be invalid or unenforceable, such part will be enforceable to the extent allowed by law and will have no effect on any other sections of this agreement.

Using your Alba 7" Tablet

3

Need technical support?

Call our experts on 0345 604 0105

or go online at www.argos-support.co.uk

When the battery is fully discharged, this tablet may take up to 8 minutes to charge before will boot.

Using your Alba 7" Tablet

Let's get started.

Moving a home screen icon: Touch and hold your finger onto it until the positioning box appear, then slide it to the desired location, and release your finger.

Removing a home screen icon: Touch and hold it, slide your finger towards the top of the screen and drop it over the 'Remove' icon.

Uninstalling an application: You can only uninstall downloaded third-party applications, applications built into the firmware such as some Google apps (e.g. clock, calculator, settings etc.) cannot be deleted but some may be disabled in 'Settings'. Apps downloaded during the initial set up or afterwards may

be deleted to free up memory space. From the 'All apps' screens, touch and hold the app icon, slide your finger towards the top of the screen and drop it over 'Uninstall' bin. To check which applications are downloaded or built-in, go to 'Settings' then 'Apps'. You can also uninstall apps in 'Settings' and move them from internal memory to SD card etc.

Need technical support? Call our experts on 0345 604 0105 or go online at www.argos-support.co.uk

Using your Alba 7" Tablet

Let's get started.

Creating application folders: To organise your apps, drop one app icon over another on the home screen and the two icons will create a folder. You can add many more apps in it. To remove one app from a folder, touch, hold, and drag it to 'Remove' (appearing on the top of the screen). Tap on 'Unnamed Folder' to name it.

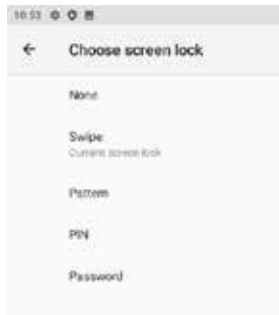

Changing your wallpaper and home settings:

Hold your finger on the home screen at where there are no apps, then touch 'Wallpapers' or 'home settings' and choose from the list.

Using your Alba 7" Tablet

Let's get started.

Locking the touchscreen: From the quick settings dashboard in the status bar, touch 'Settings'. In 'Settings', scroll down and touch 'Security'. Touch 'Screen lock'. Touch the type of lock you would like to use. After you set a lock, a lock screen is displayed whenever your screen wakes up, requesting the pattern, pin or other specified key.

To download new apps: For your tablet touch the Google Play Store icon. There you will find over 1 million apps including many which are free. Even if you only use free apps you will still need to create a Google account but you don't need to enter your credit card details to do this.

Need technical support? Call our experts on 0345 604 0105 or go online at www.argos-support.co.uk

Using your Alba 7" Tablet

Let's get started.

Transferring files to your tablet:

From a computer, use the USB lead provided in the package box.

From a USB device with a standard male USB connection, you will need to purchase a female USB to micro USB lead in order to connect it (e.g. USB card reader, USB connection from a camera etc.).

Via e-mail, simply add attachments to e-mail messages and send to your Google e-mail address. Then open Gmail, open the message and save the file from e-mail to your tablet memory.

Improving security on your tablet

Online

In order to avoid online threats we recommend that you install antivirus and security software on your device and keep these and your browser and other software up to date to take advantage of security fixes.

Physical theft

If you store valuable information on your tablet including passwords and logins for personal accounts etc. you may want to enhance the security of your tablet in case it is stolen or lost.

Need technical support? Call our experts on 0345 604 0105 or go online at www.argos-support.co.uk

Using your Alba

ALBA

41

Using your Alba 7" Tablet

Let's get started.

Setting a PIN or password

You can set a pin code (4-8 digit numerical code) or you can set a password which is 4 to 17 characters. We recommend you set a password, the longer and more complex it is the harder it is to break. For the best passwords use a mixture of upper and lower case letters, numbers and special characters such as %, # and *. In 'Settings', select 'Security', then 'screen lock', then select PIN or Password.

Encryption

In order to protect your personal data on this tablet, in the event of the device being stolen, you can encrypt your tablet. Go to 'Settings' - 'Security & location' - 'Encryption & credentials' - 'Encrypt tablet', Make sure to follow correctly the onscreen instructions.

⚠ Please note that your tablet cannot be decrypted by the same process. To decrypt you must return the tablet to factory settings which will erase all of your files and downloaded apps (securely). To reset to factory defaults go to 'Settings' - 'System' - 'Reset options', Choose 'Erase all data(Factory reset)', then 'Reset tablet'.

Need technical support? Call our experts on 0345 604 0105 or go online at www.argos-support.co.uk

Using your Alba 7" Tablet

Let's get started.

Erasing your personal data

If you sell your tablet on, or discard it you should erase the data in memory, before you do so, using a file eraser program that actively writes to every record in the memory.

This securely erases your data so that it cannot be recovered. Please note that simply returning your tablet to factory settings is not a reliable way of erasing your personal data (unless you have first encrypted your data). To download a file eraser go to Google Play store, select a file eraser program such as Remo File Eraser – download and install. Open the app and follow instructions to securely erase your data.

Further Advice

For further advice on how to stay safe there are government lead initiatives such as Get Safe Online <https://www.getsafeonline.org/> which give good advice about a how to avoid a range of security threats. Don't let security issues spoil your enjoyment of your tablet. This manual can also be viewed as a pdf file on the device, to open locate the pdf file in the 'files' folder on the device and touch to open.

NOTE: you may need to install a pdf viewer in order to open this file.

Alba Tablets Helpline

For detailed advice on this or any other issue concerning your Alba tablet you can consult with the technical support helpline – 0345 604 0105 or go to our FAQ on argos.co.uk.

Need technical support? Call our experts on 0345 604 0105 or go online at www.argos-support.co.uk

Using your Alba

ALBA

Help is always at hand.

Troubleshooting

If your device is frozen:

Press the ON/OFF button for at least 10 seconds or use the hardware reset.

To use the Hardware reset, press the "pinhole reset" button by using a sharp object such as a paperclip.

If your device doesn't turn on:

Charge your device then switch on normally.

If this does not work, press the ON/OFF button for at least 10 seconds or use the hardware reset. To use the Hardware reset, press the "pinhole reset" button by using a sharp object such as a paperclip.

If you want to extend the life of your battery:

Decrease the screen brightness and turn off the wireless connections if not in use.

If your device is functioning too slowly:

Close all apps which are not currently being used.

Product support

Help is always at hand.

If your WiFi reception is poor:

Make sure you are not far from the WiFi hotspot.

Update the firmware of the device.

Factory reset your device and reconnect to your network.

Contact your WiFi connection provider.

1)Check internet speed ,2)How far is the device away from the router,

3)Do other devices work on the WIFI

If you want to restore your product (erase all your settings? forgotten password?):

If your device is turned on:

1. Go to 'Settings' - 'System' - 'Advanced' - 'Reset options'.

2. Choose 'Erase all data(Factory reset)', then 'Reset tablet': this will erase all your files, settings and applications, so make sure you have backed-up your data in your Google account or a hard drive.

3. When you restart your tablet it will open the Startup wizard again, follow the onscreen instructions. The wizard will not download the free apps that were downloaded the first time you did this but most of these are available for free from Google Play Store.

4. Access your Google account to retrieve your backed-up data in Google.

If your device doesn't turn on:

1. Hold the ON/OFF button and Volume+ button until a black screen with options is displayed, then release.
2. Press Volume+ button to scroll down to 'Recovery' and Volume- button to select.
3. If you want to exit the recovery system without selecting any action, scroll down to select 'Reboot system now' or 'Power off' then press ON/OFF button.
4. Use the Volume+/- buttons to scroll up/down to 'wipe data/factory reset' and the ON/OFF button to validate the chosen action. This will erase all your files, settings and applications.
5. Please note, if you have set a password and registered a Google account on your tablet this will have activated Google's 'Device Protection' feature. This powerful security feature prevents your device being used without it being signed into your Google account, even if it has been reset to factory settings. If you want to pass the tablet to another user or sell it on, you need to disable this feature by turning your password off before you reset your tablet.

Environmental Considerations

Protection of the environment is an important concern to Alba. In order to put this concern into tangible actions, Alba has consciously included a set of methods that favour a respect for the environment into the entire cycle of its products; from fabrication to consumer usage, to final disposal.

Batteries : If your product contains a detachable battery pack, you should only dispose of it in a designated collection point for used batteries.

The Product : The crossed-out wheellie bin symbol on your product signifies that it falls into the category of electric/electronic equipment. Products of this type contain substances that are potentially dangerous to the environment and to human health. Therefore, you should not dispose of the Alba electronic device in a regular trash. As such, the current European directives ask that this device be collected:

At places of distribution in the case of a purchase of a similar electronic product.

At locally created disposal areas (waste disposal centres, sorted trash system, etc.)

By doing this, you are actively participating in the reuse and recycling of disposed electronic and electric equipment that could have potential effects on the environment and human health.

ALBA

Your Alba Guarantee

This product is guaranteed for twelve months from the date of original purchase. Any defect that arises due to faulty materials or workmanship will be repaired free of charge (or if applicable the product will be replaced or the purchase price refunded) where possible during this period by the dealer from who your purchased the unit.

The guarantee is subject to the following provisions:

- The guarantee does not cover accidental damage, misuse, cabinet parts, knobs or consumable items.
- The product must be correctly installed and operated in accordance with the instructions contained in the manual.
- It must be used solely for domestic purposes. The guarantee will be rendered invalid if the product is re-sold or has been damaged by inexpert repair.
- Specifications are subject to change without notice.
- Alba disclaim any liability for loss or damage arising from the breakdown of the product.
- This guarantee is in addition to and does not diminish your statutory or legal rights.
