

Product fiche_Commission Delegated Regulation(EU) No 1061/2010		
Supplier's trade mark	LG	
Supplier's model identifier	F4MT08WE	
Rated capacity	8	kg
Energy efficiency class	A+++	
Awarded an "EU Ecolabel award" under Regulation (EC) No 66/2010	No	
Energy consumption "X" kWh per year, based on 220 standard washing cycles for cotton programmes at 60 °C and 40 °C at full and partial load, and the consumption of the low-power modes. Actual energy consumption will depend on how the appliance is used.	137	kWh/year
The energy consumption		
the standard 60 °C cotton programme at full load.	0.730	kWh
the standard 60 °C cotton programme at partial load.	0.570	kWh
the standard 40 °C cotton programme at partial load.	0.450	kWh
Weighted power consumption of the off-mode and of the left-on mode.	0.50	W
Water consumption "X" litres per year, based on 220 standard washing cycles for cotton programmes at 60 °C and 40 °C at full and partial load. Actual water consumption will depend on how the appliance is used.	10500	litres/year
Spin-drying efficiency class "X" on a scale from G (least efficient) to A (most efficient)	A	
Maximum spin speed attained for the standard 60 °C cotton programme at full load or the standard 40 °C cotton programme at partial load, whichever is the lower, and remaining moisture content attained for the standard 60 °C cotton programme at full load or the standard 40 °C cotton programme at partial load, whichever is the greater.	1370	rpm
	44	%
Standard washing programmes to which the information in the label and the fiche relates, that these programmes are suitable to clean normally soiled cotton laundry and that they are the most efficient programmes in terms of combined energy and water consumption;	"Eco 40-60, 60 °C/40 °C + Intensive"	
The programme time		
the standard 60 °C cotton programme at full load.	312	min.
the standard 60 °C cotton programme at partial load.	259	min.
the standard 40 °C cotton programme at partial load.	254	min.
The duration of the left-on mode (TI)	10	min.
Airborne acoustical noise emissions expressed in dB(A) re 1 pW and rounded to the nearest integer during the washing and spinning phases for the standard 60 °C cotton programme at full load.	53/75	dB(A)
Free-Standing
