10. During its validity period, the Experience Gift may be exchanged, according to the conditions available on www.buyagift.com.

WHAT IS THE COMPANY'S RESPONSIBILITY?

11. In its capacity as agent, and excluding tourist packages, the Partner is solely responsible and Buyagift cannot be held responsible for the quality of the Service provided. When redeeming your voucher and booking an experience with an operator you will be entering into a separate agreement with the operator and will be bound by their own terms and conditions, including any restrictions applied by that operator.

12. Although The Company has sought to select highly experienced operators of experiences, The Company cannot be responsible for the safety standards or the quality or delivery of the experience, or any loss or damage suffered by you whilst participating in the experience for which the operator shall be solely responsible.

13. By purchasing a voucher and booking an experience with a supplier, you acknowledge that the experience in respect of which the voucher will be redeemed is dependent on certain factors beyond the control of The Company and you agree that neither The Company nor any operator shall be liable for the cancellation, postponement or alteration of any experience for reasons beyond its reasonable control, including weather-related reasons, mechanical failure, location changes or otherwise. We do not undertake any technical examination of equipment, facilities or services in order to minimise personal risk. If mechanical machinery breaks down, you should ask the operator for reasonable substitutions without notice.

14. The total liability of The Company for any claim whatsoever in connection with the voucher or any experience in respect of which a voucher is redeemed shall be limited to the price paid for the experience voucher.

15. We have tried to ensure that the descriptions and images used on all marketing material are accurate. However, images are intended to give a general idea of the experience described and do not form part of any contract between the purchaser and / or the recipient of the voucher and The Company.

16. The Company cannot be held responsible in the event of fraudulent use by a third party of the confidential numbers appearing on your Voucher and on the back of the Gift box.

17. The Company reserves the right not to pursue a claim by a Buyer and/or Beneficiary following a purchase of an Experience Gift outside its traditional distribution network (from a private individual or on resale sites between private individuals).

18. Distributors, such as supermarkets, who sell Experiences Gifts in the name and on behalf of the Company, cannot be held liable for the performance of any Service. The right of withdrawal does not apply to Experience Gifts bought in store.

19. For any additional questions, you can consult all our general terms and conditions of sale and use on www.buyagift.com or our FAQ on www.buyagift.com/help.
